HOW WOMEN CAN WIN MEN AND MEN WIN

The Favor of Other Men
Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an ugly-looking, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.

But don't take salts, mineral waters, oils, laxative pills, laxative candies or chewing gums and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the tail end of your bowels and that doesn't take away enough of the decayed poison. Cosmetics won't help at all. Only a free flow of your bile juice will stop this decay poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. 25¢ at drug stores. Refuse "something just as good", for it may gripe, loosen teeth or scald rectum. Ask for Carter's Little Liver Pills by name and get what you ask for. ©1933, C.M. Co.

And one other tract containing nine and a fraction acres bounded on the south by the sforesaid described tract of land (Robt. Russell's) Bounded on the east by the lands of S. P. Downtin (The old

She Doesn't Know How You Do It!

YOU feel a little embarrassed and sorry for her. She looks so admiring and helpless, so envious, and so—so—ineffective!
Her clothes are always so bad, poor little thing. And she pays too much for them. Her home is furnished with all the wrong things. She seems to have a genius for wasting money. When she goes out to buy anything, soap or silverware, or lingerie or lamps, she's sure to turn up with something nobody ever heard of before and doesn't want to hear of again.
She is that eager, but not very bright, little woman who, "my dear, doesn't ever read advertisements." Who doesn't know what to buy, or where to find it, or what to pay for it. Who doesn't know values and can't compare them. Who doesn't know that when a new style, or a new convenience, or a new anything arrives, one sees it first in the advertisements.

One really gets a little vexed with her—
But let's not waste too much time on her. It's about time for you, dear lady, to have your daily look through the advertisements.

To stand the test of advertising merchandise must be good.
