## America's Sweetheart Has Fruity Recipe For Russian Tea With Jam

Mary Pickford Says Sweetened Tea is Fine Energizer  
By Mabel Love

AMERICA'S most beloved film star, Mary Pickford, who is now reaching new heights of popularity and winning a new generation of admirers, is a decidedly domestic person. She is quite at home in the kitchen, and particularly likes to make the tea she serves.

At Pickford, her famous California home, Russian tea sweetened with orange jam is a favorite beverage, the tea and the quick energy value of the sugar in the jam combining to provide a remarkably effective pick-me-up. In a recent interview, Miss Pickford explained that she had acquired the tea-drinking habit, after the Russian fashion, as a health safeguard. For the most part her days have been filled and brimming with physical and mental activities, and more than once physicians have warned her that she might expect a let-down.

"But it never arrived," she said with a smile. "I never burned the candle at both ends. I have worked hard, it is true, but then I always managed to get sufficient sleep—and there was my Russian tea. I found that the addition of two generous teaspoons of jam gave just

the right amount of energy so necessary to me, and many times I would have been forced to give up here for the stimulating influence of that fragrant beverage."

Here are her "net" recipes for the tea and the jam that she uses for sweetening it:

### Mary Pickford's Russian Tea With Jam

Scald earthenware pot, or glass tea pot, with boiling water; put one teaspoon of orange pekoe tea for each cup desired; measure freshly drawn water, and bring to bubbling boil before pouring it on the leaves; steep three to four minutes, sweeten to taste and add two teaspoons of orange jam to each cup of tea.

**Orange Jam**

12 thin-skinned oranges  
3 lemons  
16 cups (8 pounds) sugar

Wash and slice oranges and lemons as thin as possible. Add water and let stand over night. Cook slowly until tender (2 to 2½ hours). Add sugar. Cook the mixture until it jellies from a spoon (from 30 to 60 minutes). Pour into clean, hot jars, and seal at once. Of course, the jam is also delicious as a spread for toast, crackers and biscuits.

**WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL**  
And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blotches. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't take for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist a substitute. 26-cent drug stores. ©1931 C. M. Co.
