**EXPRESSION OF SYMPATHY**

An expression of sympathy from the many colored friends of Capt. J. P. Leach:

We called him Captain in honor of his dear father, who departed this life some years ago and was loved by all who knew him. And as his father was, Captain J. P. Leach, Jr., was loved by all of us.

We can say for him what we are unable to say for all. That is, he believed that God in his divine plan created all men equal.

Captain Leach may have had his shortcomings as all of us do, and yet we have reasons to believe that he had faith in his Maker and that he trusted Him for his goodness. Captain Leach was no respecter of persons. He dealt with all men, white and colored, alike. We loved him but God loved him best, and we stand firm in our belief that today he is at rest.

We also pray God's benediction upon his dear family.

(Rev.) S. G. DUNSTON.
