Mrs. Charles Mitchell, and a representative from the Vicksboro Community.

Present at the meeting was Taylor Oakes, Volunteer Fund Drive Chairman for eight North Carolina counties for the past five years. He was presented by Mrs. Malvern Hayes, chairman of the Warren County Chapter of the American Red Cross.

Oakes stressed the need for each county to meet its fund drive goal this year, due to the many calls made upon the Red Cross this year, because of a hard winter of storms and floods. He said that North Carolina had been very hard hit by the recent storm over the Eastern Coast of the United States, with terrible damage to Nags Head and Kitty Hawk, declared to be a disaster area. Many volunteer Red (See FAIR, page 10)

## Tobacco Leasing Deadline April 1

One hundred and fifty-three eases have been approved by the Warren County ASCS Committee under the Tobacco Lease and Transfer Law, Thomas E. Watson, office manager, said yesterday.

who have entered into lease agreements to transfer tobacco acreage will have to file a supplemental lease in order for the 4.3 percent national increase in acreage to be trassferred. If a supplemental lease is not filed by April 1, 1962. the acreage on the original lease will be the acreage transferred.

Farmers wishing to lease and transfer acreage must contact the ASCS office prior to April 1, 1962, Watson said. This is the last date any re quest for lease or transfer can be accepted by the county office, he said. All transfers of tobacco allotments must go through the ASC office to be recognized.

#### Deadline

Farmers who plan to participate in the 1962 Feed Grain Program have until March 30 to file their applications, T. E. Watson, ASCS office manager,

said yesterday. Watson said that through March 21, 299 farms had signed up to participate, diverting 2,369.3 acres to the program. A total of \$26,649.29 has been paid out in advance payments

## Jim Hundley Re-elected Head Of Milk Producers

Greensboro - J H Hundley of Norlina, sheriff of Warran County was re-elected president of the Carolina Milk Producers Association here Fri-

S. R. Clinard of High Point, re-elected vice president; and E. D. Pasour of Dallas, executive committeeman.

Elected to the board of di-

rectors were J. R. Powell of Clarkton, and N. R. Hargrove of Snow Camp.

The association, with a memship of some 600 dairy producers in the Piedmont and southeast sections of the State, went on record as opposing current national milk quota proposals, and affirming support of the 1949 agricultural act as amended with respect to

Milk produced by members of the bargaining association is Within a few months, the group will occupy a new headquarters building in Greensboro which will serve as a milk holding and handling facility.

Featured speaker at the meeting Friday, attended by some 100 dairymen, was J. C. Williamson, Jr., now assistant director of State College Agriculture Extension Service. Fewer Producers

Williamson noted two trends in the Tar Heel dairy industry now affecting milk pro-ducers. The number of individual producers is decreasing. while those who remain in the ousiness are growing larger in

A result of this would be a smaller number of milk pro-cessors, which, in turn, would mean a stronger inclination for

United States.

Clark, a 1961 graduate of Littleton High School, hopes after graduation to jois the diplomatic corps.

He is the son of Mr. and Mrs. James W .Clark of Vaughan.

Mean a stronger frequency.

Williamson also noted a tendency for milk surpluses to develop in the economy. Production in North Carolina is now about even with demand, but surpluses may be expect.

JIM H. HUNDLEY ed in the future, he said. Hundley charged that the nine-member State Milk Commission is stacked heavily in favor of milk processors, and said it "can do a lot more for the milk farmer" than it for-

merly has. "You can count on one hand all the things they have done for us in the last year or two."

he said. Frank H. McDowell of Greensboro, secretary and gen eral manager of the ass tion, called for an increase in association membership. said there are fewer members this year due to "death, with drawal from the asso and producers going out of
