

Yellow Jackets Make It Ten Games In A Row

Double victories over Aycock here Tuesday night continued John Graham's unbroken string of victories, with a record of eight wins for the girls and ten for the boys by virtue of a couple of wins in tournament play at Nashville during the Christmas Holidays.

In the girls game the Yellow Jackets took an early lead and were leading 12 to 3 at the end of the first quarter, but for the next two quarters the visitors cut down this lead and at the beginning of the final quarter were only five points behind. In the final frame the Jackets out scored the visitors 13 to 10 for the 32 to 24 victory.

Leading scorer for John Graham was Gail Fleming, who fouled out in the fourth quarter, with 13 points. Abbott hit in double figures with 10 points. Polk scored 6, Rideout 2, and Clark 1.

Scoring honors for the girls went to Peggy Pegram of Aycock who played a whole of a game as she netted 18 points, Sarah Stevenson netted 4, and Lottie Spence 2.

The Yellow Jackets breezed by Aycock in the nightcap with little difficulty as four of Warrenton's starters hit in the double figures with Benson leading with 23 points for a 78 to 47 victory, Al Blalock

netted 11, John Coleman 18, and Roddy Drake 17. Lester Capps scored 1 point, Charles Edmonds 4, and Tony Short 2. Scoring honors for Aycock went to Wayne Aycock who netted 23 points. Others scoring were Johnson 9, Mosley 2, Franklin 3, Ellington 2, B. Pegram 6, J. Pegram 2 and Stevenson 2.

Only in the third quarter did the visitors offer any threat to the locals as they scored 22 points to the Jackets 19, but in the final quarter the Jackets netted 24 points to the visitors 7. Both coaches substituted their reserves in the final minutes of the last quarter.

Playing at Aycock on Friday night, the Warrenton girls defeated the Enfield lassies 35 to 16 and the John Graham boys took a 62 to 39 win.

Behind the scoring of Knox Polk and Vivian Abbott, with 16 and 10 points, respectively, the Jackets took a first quarter lead and held it all the way. Gail Fleming added 7 points and Emily Rideout 2.

Penny Slade was high scorer for Enfield with 6 points. Pam Davis netted 2 points, and Peggy Morrisette and Byrd Viverette netted 4 points each.

Four field goals and a free throw by Al Blalock in the first quarter got the Yellow Jackets off to a fast start in

Wiggins Nets 40 As Norlina Grabs Win

Buck Wiggins had a ball at Aurelian Springs on last Friday night as he sank 40 points to lead the Norlina boys to a 63 to 45 victory over their hosts. Frank Robertson was high scorer for Aurelian Springs with 11 points.

Norlina took the lead in the first quarter and held it all the way, building up their margin in the third quarter with 13 points while holding A. Springs to 4 points.

The Norlina girls also added a victory in their column as they downed Aurelian Springs 35 to 28, taking a first quarter lead and holding it all the way. Kaye Floyd led Norlina with 11 points and Eunice Smiley netted 10. Kaye Grueller led Aurelian Springs with 14 points.

Norlina boys took a 49-46 overtime victory at Enfield on Tuesday night, while the girls suffered a 39-32 loss to Enfield.

Buck Wiggins was high scorer for the Norlina boys with 21 points. Mayfield netted 12 and Hundley 11. Ewell led Enfield with 19 points and Rothrock netted 15.

In the first game Enfield took a 12 to 6 lead and held it all the way. Eunice Smiley with 14 points led the Norlina

girls and Kaye Floyd netted 12. Tina White led Enfield with 16 points, followed by Viverette with 11.

Fans are expected to fill the John Graham gym here tonight (Friday) as Norlina and Warrenton meet for the first time in basketball play during the 1963-64 season.

Added interest is added to the game due to the fact that Warrenton is unbeaten and Norlina boys have suffered only one loss during the season.

Comparative scores would seem to favor the locals as they ran away with Enfield while Norlina won its game from that team in overtime, and defeated Aycock, the only team to defeat Norlina, with little difficulty. But as has been said year in and year out, with a great deal of truth, comparative scores mean little when the two schools meet in athletic contests.

Next Tuesday night John Graham has an open date, while Norlina will play a return match with Aycock.

Mr. John H. Harris, Extension Horticulturist, says January is a bleak cold month. About the only gardening we can do is indoors. Let's talk about house plants.

Good soil is the starting place for growing house plants. You can make a good soil by mixing two parts garden soil, one part peat or woodsmold and one part well-rotted manure. Add some sand if your soil has no sand. Mix with the soil about a teaspoonful of 8-8-8 fertilizer and if the soil has not been limed recently use about 2 teaspoonfuls of agricultural limestone to each 8-inch pot of soil.

As long as the plants are growing satisfactorily there is little need to add additional fertilizer. When further feeding is needed use a teaspoonful of 8-8-8 per gallon of water. Special water soluble fertilizers are available from your seed store if you prefer to use them.

It's important to give plants the right amount of light. Generally speaking, give foliage plants (non-flowering plants) largely indirect light. Flowering plants, on the other hand, need partial to full sun. African violets require partial shade from hot sun but like early morning and winter sun. If plants don't receive enough light the stems will grow long, giving the plants a lanky appearance.

In applying water be sure to soak the soil until water drains out the hole in the bottom of the pot.

Worried Man: "All day long I eat grapes." Psychiatrist: "Well, a lot of people eat grapes." W. M.: "Off the wallpaper?"

The best way to get along with women is to let them think they have their own way. Best way to do that: Let 'em have it.

Littleton Girl Is Named Art Teacher

RUTHERFORDTON - - Rutherfordton Elementary School probably became unique in North Carolina schools Monday with the hiring of a full time art teacher whose salary will be paid by the local industry, according to Principal Herman Green.

The new teacher Miss Carolyn Liles of Littleton, began her duties at the local school Monday.

Green stated that many of the larger cities have art supervisors who teach in several schools within the cities but that Rutherfordton is probably the first state school to have an art teacher for the one school.

Miss Liles will work with all of the grades at the school. She also will have some specialized classes for those students showing promise and talent, Green said.

Green explained that most schools could not afford a full time teacher of art. He added that Miss Liles would not be paid by the state but that she was hired by Doncaster and Hammer to broaden the school's program in the creative fields.

A graduate of East Carolina Miss Liles has an A certificate in art. She is the daughter of M. and Mrs. Willis J. Liles of Littleton and did her practice teaching in the Rocky Mount City Schools.

While at East Carolina Miss Liles had a one-man art show which included oil paintings, illustrations for commercial art, a glass mosaic and items sculpture.

She is the niece of General Josh Griff, State Civil Defense Director, who was the former commander of the 30th Infantry, North Carolina National Guard.

ville spent Thursday night with Mr. and Mrs. Bernice West. Mrs. West and Mrs. Strom visited Mr. Lewis Shearin in Warrenton and Mrs. Foster Robertson in Macon on Friday. Mr. and Mrs. Bill Whitson and Mrs. Nann Whitson of Richmond, Va. were visitors of Mr. and Mrs. Lily Stansbury last week.

The great highway performer

'64 Jet-smooth Luxury Chevrolet

What does it take to make a car a great highway performer? If the car happens to be a '64 Chevrolet, one thing only. A highway.

You'll find everything else already neatly packaged for you—on the car exactly as you pick it off the showroom floor.

There's a choice of seven engines—all the way up to a twin-carb high-compression 425-hp V8*—and four transmissions, including a finely honed 4-speed stick shift.*

And underlying it all—a bump-skimming Jet-smooth ride that helps keep the performance great even when the highways aren't so great.

What about special performance equipment? Professional driving skills? Forget them. Nobody has to doctor or coax or soup up these Chevrolets to get the best out of them. And that's really the test of a great highway performer: Just about anyone can get a kick out of driving one, just about anywhere, just as it comes out of the showroom.

Next time you're out your dealer's way, allow a few extra minutes to sample one of these highway performers on your own. A few are really all you'll need. That's enough time to do a lot of driving in a Chevrolet. *Optional at extra cost.
