Teachers Down Parents In Play Here Monday

The Parents-Teachers basketball game at the John Graham High School gym Monday night was a double success in that the size of the crowd assured the PTA of needed funds, and the occasion furnished fun for both players and spectators, who, incidentally, saw some especially good play in the match between the men teachers and the parents.

It was a good night for the teachers as they won both their games, the lady teachers winning 18 to 17, and the men teachers downing the parents 86 to 66.

Billie Goodman led the lady teachers with 9 points, followed by Janet Harmon and Anne Burwell with 4 points each. Others playing were Jo Ellen McLean, Jane Fleming, Delores Fleming, Janet Harmon, Anne Burwell, Sue Plaster, Emily Perkinson, Linda Shearin and Sue King.

Gail Fleming led the parents in scoring with 7 points, followed by Selma Tharrington with 4 points. Others playing were Juanita Wood, Madge Reid, Ann Hilliard, Peggy Shearin, Lillie Mae Shearin, Addie Rodwell, Elizabeth Davis, Elsie Weldon, Rosa Fleming, Elma Short and Irene Duncan.

Men's Game
 Jon Burwell led the men teachers to victory with 31

If you have questions, please drop by the office for a conference.

Portable Generator
 It has been called to our attention that more people are interested in purchasing portable generators. They can be of valuable service on farms where electric current is necessary to operate equipment such as electric milkers, coolers, refrigerators, feeders, etc.

Power officials have stated that anyone planning to purchase such equipment contact them prior to such purchase. It is reported that special fuses, switches are necessary and, too, that hooking up portable generators to the wiring systems could electrocute repairmen.

Golf Club Begins Season Play Here

John Graham High School golf's team will begin season play on March 13, with a match with Scotland Neck, Jon Burwell, coach, said yesterday. Other games will include matches with Lousburg, Northern Nash, Roanoke Rapids, and possibly Rocky Mount.

The parents were led by Buck Fleming and Grady Hanes with 20 points each. Lewis Rooker netted 10 points. Other playing were Sidney Fleming, Carl Fleming, Bobby Fleming, and Billy Fleming.

Minimum Wages And Hours Discussed By County Chairman

By FRANK REAMS
 County Ext. Chairman
 COMING EVENTS

March 8-10: Tobacco Trade Fair, Raynor and Forbes Warehouse, Greenville, N. C. (Suggest people in communities arrange car pools).
 March 12 - 17: Artificial Breeding Technician's Training Course, N. C. State University.
 March 19-25: Poison Prevention Week.
Minimum Wage and Hours
 Most people are well informed as to the minimum pay

of \$1.00 per hour straight farm wages. A storm is brewing though over the requirements as related to tenants, sharecroppers, etc. As a rule of thumb, if the farm operator and the tenant each go 50-50 in the management of the operation then you can forget about guaranteeing tenants, sharecroppers \$1.00 per hour. If the farm operator is the main boss of the farm and closely supervises the entire operation, then the tenant and/or sharecropper, etc., will be entitled to a minimum of \$1.00 per hour for working on that farm.
 If the farm operator did not hire over 500 man days

of labor during any calendar quarter during 1966, he does not have to pay minimum wages regardless of the number of man days hired during 1967.
 In event you are subject to this law, the charts will give you a sample record to keep on each employee and also two samples of an arrangement that could be used as a lease.
 If you think you will use about 500 man days during any calendar quarter for 1967 suggest that you keep some records and not be in a position of being questioned by complainants or investigators during 1968.
