Beef Cattle Show And Sale To Be Held Here Next Thursday

Ten top grade beef animals will be sold to the highest bidder at Centre Warehouse on the Norlina Road next Thursday, April 20, at 3:30 p. m. Judging of the animals for grade placement will begin at 2:30 p. m.

This is the first such show and sale ever to be held in Warren County, L. B. Hardage, county extension agent, said yesterday. The 4-H members and adult promoters promise to have on hand some of the best beef available, he said, and it is hopeful that a large number of buyers will be present.

"The public is encouraged to be present to witness the events of this outstanding occasion," Hal W. Connell, chairman of the calf show committee, said.

Warren 4-H Members Carry Beef Projects

Success stories about 4-H Club members crop up regularly in the news, L. B. Hardage, Agricultural Extension Agent, pointed out yesterday. The success usual-

ly stems from working on a specific 4-H project. He said the 4-H'ers have a wide choice to choose from, and frequently carries more than one project.

Among the 1967 national 4-H programs offered to club members, is the traditional beef program. Hardage said more success stories will be written this year about scores of boys and girls who have devoted several years to raising beef animals.

Awards for best results will be provided by the sponsor, E. I. de Pont de Nemours and Company. There will be medals (county), educational trips to the National 4-H Club Congress in Chicago (state) and six national \$500 scholarships.

Hardage said that those carrying beef calf projects in Warren County for 1967 are Thurman Batten, Jr., Gary Gorden Limer, Jr., Selma Bender, Valerie Fleming, Steven George Bender, Elwood Burgess, Jr., Phillip Fleming, Margaret Delaine Meek, Harry Williams, III, and Floyd Williams.

The Warrenton Garden Club has taken as a project the beautification of the Warren General Hospital Grounds. Tuesday afternoon a group of the members were busy clipping around flowers and shrubs when a Warren Record

photographer snapped the above picture. Shown, from left to right, are Mrs. John Andrews, Mrs. B. W. Currin and Mrs. C. W. Currin. (Photo by Bill Jones)

Town To Supply Farmers Water

The Town of Warrenton will again furnish water to Warren County farmers this spring and summer for watering their plant beds and during transplanting of the tobacco crop. This was decided at the regular meeting of the town board on Monday night. The only restriction is that water will be distributed only between the hours of 6 a. m. to 6 p. m. daily.

The commissioners instructed the town manager to advertise delinquent real estate taxes on June 16 and to hold the sale of the same on Monday, July 10.

A quotation on a three-phase traffic signal contemplated for installation at the corner of Franklin and Front Streets was read to the board. The commissioners deferred consideration of the purchase un-

til July when the 1967-68 budget will be presented.

Adjustments in water bills due to concealed leads were granted to A. B. Hight, \$20.74; T. C. Satterwhite, \$20.73; and Wood's Cash Grocery, \$22.68.

Mayor Miles was instructed to write Joseph M. Hunt, Jr., chairman of the State Highway Commission, protesting excessive costs billed to the town for what the board unanimously agreed was unsatisfactory work done by the Commission on the town's non-system streets during the summer of 1966.

The commissioners ordered that no rummage sales be held on the sidewalks, streets or vacant lots of the town within the business district. The Chief of Police was instructed to enforce this order.
