Door Delivery Of Mail May Be Extended Here

The Postoffice Department has authorized door delivery of mail delivery in some areas served by the Warrenton Postoffice now receiving curb delivery, effective immediately, Mrs. Emily R. Thompson, acting postmaster, announced this week.

Patrons with city delivery service who live in qualified territory may receive door delivery if they desire, Mrs. Thompson said. The following conditions apply:

1. One of the major requirements for conversion is at least a 50% development of the block.
2. There must be a visible house number and a satisfac-

tory walkway from the street to the house. The curb box must be removed before door service can be given.

3. Patrons must place a receptacle at their door or provide a door slot no less than 30 inches from the floor. Mrs. Thompson said that patrons will not be required to ask for the change in service. The fact that they remove the curblin box and provide a door receptacle will be evidence enough they want the service. Conversion is voluntary.

If customers wish to continue the curblin delivery, Mrs. Thompson said, they may do so by leaving their box as it is.

Two Defendants Have Racing Charges Reduced

Two young men, charged with racing and speeding, had their charges reduced to speeding 60 miles per hour in a 45 mph zone in Warren County Recorder's Court last Friday. Each was ordered to pay a \$15 fine and court costs.

Charged with racing and speeding were Vernon Karl Brown, 20, and Anton Cliff Martin, 24.

Jesse Dunston, Jr., pled guilty to a charge of non-support and was sentenced to the roads for 60 days. The jail sentence was suspended for two years provided the defendant pays into the office of the Director of Welfare each Monday, commencing May 15, 1967, and continuing until further order of the court, the sum of \$25 per week for the support of his wife, Lula Dunston, and three children.

Leon Baskerville was sentenced to the roads for six months when he pled guilty to

a charge of breaking, entering, and larceny. It was recommended that the prisoner be placed on work release.

The State took a nol pros with leave in the case of Donald Lewis Borte, charged with speeding.

Thomas Harris was sentenced to the roads for 60 days when he pled guilty to charges of resisting, delaying and obstructing public officer in discharge of his duty as officer. The jail sentence was suspended for five years provided the defendant not violate any criminal laws of the State for five years, remain of good behavior and pay a fine of \$25 and costs.

The State took a nol pros with leave in the case of Charles Dee Andrews, charged with speeding.

Drake Elected Mayor Of Macon In Tuesday's Vote

Wilton R. Drake was elected Mayor of Macon in the municipal election Tuesday. He succeeds Bernard Thompson, who was not a candidate for re-election.

In the race for the five member board of town commissioners four members of the board were re-elected. They are M. C. Clary, Wiloughby Harris, C. E. Thompson, and W. J. Wilson. The new member of the board, who will fill the seat vacated

by Henry Fuller, is Reuben Shearin. Fuller was not a candidate for re-election.

Unsuccessful candidates were Pete Hilliard and Malvin Halthcock, Jr.

Drake, who was unopposed, was elected to serve a ninth term as mayor after missing one term while a member of the State Legislature.

Macon officials are elected for two-year terms and serve without pay.

Farmers To Vote On Transfers

Upland cotton farmers in Warren County will have an opportunity to decide whether they can transfer cotton allotments, by sale or lease, outside the county within the State.

A referendum will be held in the county from May 15 to May 19 to decide this issue, with voting being done by mail. T. E. Watson, ASC office manager, said yesterday that growers may mail in their marked ballot, or bring it to the ASCS office here during that time. He said ballots must either be in the ASCS office by the close of business or be postmarked by midnight May 19 to be counted.

Watson said that similar referendums were held in 1965 and 1966. To date, growers in 412 counties throughout the cotton belt have approved such transfers. The vote this year is being held only in counties where such transfers have not previously been approved.

The referendum will decide only the question of whether upland cotton allotments may be transferred by sale or lease to another farm outside the county during the next two years. In no case can transfers be made outside the State. The vote will not affect the transfer of upland cotton allotments. (See FARMERS, page 4)

Town Board Seeks To End Bad Dump Use

Unlawful dumping of garbage and other debris along the road leading to the town's dump and at unauthorized places near the dump has become of growing concern to the town commissioners.

Stating that unauthorized persons have been dumping garbage in areas not intended for deposit of garbage, the Board of Town Commissioners at its regular meeting Monday night ordered that a gate be installed at the entrance of the woods through which the road to the trash dump leads. Town employees will have keys to this gate, but other persons will be barred from using the dump without special permission.

Mayor Miles said yesterday that the dump has to be regulated under fire and health regulations, and its use must be protected by the town.

Garbage held a leading place on the agenda at Monday night's meeting. The Chief of Police was instructed to strictly enforce the Town Ordinance against littering, particularly with respect to wine bottles and beer cans. The Chief of Police was also directed to contact all business firms and request that all garbage and refuse placed in alleys in the rear of their places of business be placed in containers or bins.

In other action, the commissioners ordered that the

parking meter at the corner of Main and East Market Street in front of Leggett's be removed, and the area marked as a "No Parking" zone in the interest of traffic safety.

It was ordered that the town's 1962 Ford police car be advertised for sale and sealed bids on the same be opened at the regular meeting of the board on Monday, June 12.

An application of Cassie Richardson for a permit to drive a taxicab was referred to the taxicab committee with instructions that the permit be issued if the committee's investigation discloses that the subject applicant be possessed of the necessary qualifications.

Howard Oakley, secretary of the Warrenton's Merchants Association, appeared before the board to request that permission be granted merchants to display merchandise on the streets a distance of three feet from their buildings for two days, Friday and Saturday, during the month of August when the merchants will hold their sidewalk sale. The permission was granted.

A donation of \$200 to Warrenton County Memorial Library already set up in the budget, was ordered made.

The board authorized the installation of 16 foot arm mount 2500 cp street light on East Franklin Street near Carroll's Beauty Shop.

Gordon Named President Of Warren School Group

Rex Gordon, principal of Norlina High School, was installed as president of the Warren County Unit of the North Carolina Education Association at its annual meeting recently held in Littleton.

Other officers installed by Coy Lewis, assistant superintendent of schools and installation officer, were Mrs. Carolyn K. Ricks, home economics teacher at Littleton, vice president; and Mrs. Patsy Pearce, French teacher at John Graham High School, secretary-treasurer.

The meeting was featured by a "Chalk Talk" by Bennett Straughn and his wife of Raleigh. Introduced by the retiring president, Mrs. Gerladine Spraggins, the speaker related the influence that a good teacher may have on a student with the use of chalk. He was accompanied by his wife on the accordion.

The invocation was given by E. T. Satterfield, Jr., principal of Littleton High School. J. R. Peeler, superintendent of Warren County Schools, intro-

Club Heads Meet To Make Plans

A Clean Up, Fix Up, and Paint Up Drive will be conducted in Warrenton during the month of May with various civic clubs cooperating.

Plans for the drive were made at a kick-off meeting held at the town hall (??) on Thursday night of last week with Mayor W. A. Miles presiding.

Present at the meeting were Mrs. C. F. Burrows, president of the Little Garden Club; Mrs. R. B. Butler, president of the Warrenton Woman's Club; Mrs. Bobby Barlow, representing the Warrenton Junior Woman's Club, C. F. Burrows, president of the Lions Club; James Y. Kerr, representing the Rotary Club; and Mrs. C. E. Rodwell of the Warrenton Planning Board.

Needs were discussed and each club accepted a project for which they would be responsible.

The Little Garden Club has for several years looked after the shrubbery at the Marlam Boyd School and this year added the grounds of the Warren General Hospital to its list. It was decided that these two areas would remain as permanent projects of the club.

The Warrenton Woman's Club agreed to paint one dozen oil drums to be used as additional trash containers and placed in town parking lots and at other places where litter is in evidence.

The Lions Club agreed to take the area between the Warrenton Railroad track and North Main Street just beyond the depot as their clean-up project. Several years ago the late C. A. Tucker and officials of the Warrenton Railroad company planted shrubbery here but it has since been allowed to grow up.

The Warrenton Junior Woman's Club accepted the west entrance to Warrenton on Highway 158 from Norlina as its project, and agreed to contact property owners in regard to a beautification project in this area.

The Rotary Club was requested to add their club emblem to a sign board erected for this purpose on the Lousburg and Norlina entrances to the town. The Lions Club and the Woman's Club emblems are already up and Mrs. Burrows is investigating the possibility of one for the Garden Club.

Mrs. C. E. Rodwell of the Warrenton Planning Board told of the work her group has done on the Tarwater Warehouse lot on Main Street and announced plans for planting and screening work to be done on the Wilcox Street parking lot. The board also accepted the grounds of the Warrenton Rural Fire House as its project and will proceed with planting of trees and shrubbery here as soon as possible. Mrs. Rodwell also requested that the town provide protection for two young trees on Main Street.

The Warrenton Merchants Association was not represented. It had offered previously to contact merchants in the business part of town requesting them to not only clean-up, fix-up and paint-up the fronts of their stores, but their back alleys as well and to build trash bins, if they did not have any.

Mayor Miles announced plans for more extensive cleaning of the town on Sunday morning by the town crew and pledged his full cooperation in all projects. He also urged all individual property owners in Warrenton to clean up their vacant lots, home sites, and business lots (See CLEAN UP, page 4)
