**GREAT BARBECUES START WITH...**

a good fire!  
For a good, even, odorless fire start with A&P Charcoal Briquets and A&P Charcoal Lighter.

If there's anything more important than the fire, it's what you grill on it.

For years, A&P Super-Right Meats have been used for more barbecues than any other meat you can name.

Ground beef, lean and juicy, fresh tender chickens, steaks and chops unconditionally guaranteed to be tender and tasty. And, if you like, cut to the thickness you like.

Of course, your A&P has all the condiments and sauces a "barbecue boss" needs, including a unique Ann Page Barbecue Sauce.

When you think about it, you might say:  
Great barbecues start with A&P...

**and end with satisfaction**  
...that's guaranteed.
