Variety Of Cases Are Tried

A variety of cases, the majority of which were concerned with violations of the motor vehicle laws, occupied the attention of Warren County Recorder's Court last Friday.

On the docket, in addition to traffic law violations, were two cases of assault on a female, a case of carrying a concealed weapon, and a case of temporary larceny.

Willie G. Powell pled guilty to a charge of assault on a female. Prayer for judgment was continued for two years provided the defendant keeps the peace towards all persons, particularly Mrs. Phyllis C. Powell, for two years, and pays court costs.

Edward Alston was sentenced to the roads for six months when he pled guilty to a charge of assault on a female. The jail sentence was suspended for two years upon condition that the defendant not violate any criminal laws of the State for two years, remain of good behavior and pay a fine of \$25 and court

Albert Bullock, charged with temporary larceny of an automobile and with having no operator's license, pled guilty to temporary larceny of an automobile. He was found not guilty of having no operator's license. The court ordered that Bullock serve six months on the roads. The roads sentence was suspended provided the defendant not violate any of the criminal laws of the State for two years, remain of good behavior, and pay court costs.

Jesse Dunston was sentenced to the roads for 60 days when he pled guilty to a charge of carrying a concealed weapon. The road sentence was suspended for two years provided the defendant remain of good behavior for two years, not violate any criminal laws of the State for two years, and pays a fine of \$25 and court costs.

Tobacco Crop Expected To Top 1966 Production

RALEIGH - Based on reports from growers July 1, North Carolina's flue-cured tobacco production is expected to total more than 789 million pounds, up 28 million from 1966.

The North Carolina Crop Reporting Service said Tuesday the average yield from

Ball Player Hurt

A Pony League ball player was painfully hurt in a freak accident in the John Graham athletic field Wednesday night.

Gene Evans, son of Mr. and Mrs. James Evans of Norlina, suffered a bad break of his left arm around the wrist when he was struck by a player coming into second base on a steal. Gene, 14, was taken to Warren General Hospital where his arm was set.

The accident occurred in an early inning of a game between the Cardinals and the Senators when Wesley Brandt of the Senators went down to second on a steal. Apparently the runner struck the second baseman just as he reached down to take the catcher's peg, and his left arm was jammed into the ground.

Flue-cured tobacco growers will determine the fate of marketing quotas for the next three years in a referendum to be held on next Tuesday, July 18.

The Secretary of Agriculture has proclaimed acreagepoundage marketing quotas for flue-cured tobacco for the three marketing years beginning July 1, 1968.

As required by law, twothirds of the growers voting must vote "yes" for the program to continue in effect.

By their vote growers must decide whether they want acreage-poundage marketing quotas and price support, or unlimited production and no price support.

The 1968 flue-cured marketing quota will remain essentially the same as the 1967 marketing quota, T. E. Watson, office manager of the local ASCS, said yesterday. The 1968 individual allotments for Warren farmers have been mailed. Watson said that these allotments represent the regular farm allotment and are subject to adjustments caused by any overmarketing or undermar-

keting of the 1967 crop. Hours of voting in Tuesday's referendum will be from 7 a.m. to 7 p.m., and voting places will be as follows: Fishing Creek-Davis Store at Arcola.

Fork-W. K. Thompson's Store at Inez.
