Appeal To Be Taken

Caveators Fail To Break Harris Will

Caveators in the matter of Mattie D. Harris failed to break her will in the October Civil Term of Superior Court which ended here Tuesday afternoon when a jury returned a verdict in favor of the propounders.

Mrs. Etta Harris Loyd, one of the caveators, said on Wednesday morning that the case would be appealed to the State

Supreme Court.

Court opened here on last Monday morning with Judge Hamilton Hobgood presiding. That afternoon a jury was selected to hear the case in the Matter of Mattie D. Harris. For six days evidence pro and con was submitted to the jury. Following Judge Hobgood's charge on Tuesday the case went to the jury around 2

o'clock on Tuesday afternoon and the jurors returned their verdict some three hours later.

Miss Harris, a well known farmer who lived on the Harris Town Road a short distance from Warrenton, died on Jan. 13, 1965, leaving a will and three codicils. The value of the estate left to two brothers and several nieces and nephews, was estimated by the caveators to be around \$240,000.

Caveat proceedings were brought by Marvin Harris and Etta Harris Loyd, a nephew and niece of Miss Harris, who were represented by John F. Matthews of Louisville. The propounders were Raymond A. Harris and Mrs. Myrtle Harris Gooch, also a nephew and niece of Miss Harris, who were represented by Banzet and Banzet of Warrenton.

The caveators alleged that the purported last will and testament of Mattie D. Harris and three codicils were not the constituted last will and testament of Miss Harris for three reasons:

1. The said purported will and codicils were not executed as provided by law.
2. That when the last will and codicils were executed that Mattie D. Harris lacked sufficient mental capacity to execute will and codicils.
3. That the signature on the will and codicils were procured by undue influence.

The will and codicils were drawn at Miss Harris' request by the law firm of Kerr and Kerr of Warrenton.

The issues submitted to the jury were:

1. Is the paper-writing dated 30 January 1959, and every part thereof, the last will and testament of Mattie D. Harris?
 2. Is the paper-writing dated 22 April, 1960, and every part thereof, a codicil to the last will and testament of Mattie D. Harris?
 3. Is the paper-writing dated 18 June 1962, and every part thereof, a codicil to the last will and testament of Mattie D. Harris?
 4. Is the paper-writing dated 6 August 1962, and every part thereof, a codicil to the last will and testament of Mattie D. Harris?
- The jury answered yes to all four questions.

Thieves Break Into Two Warren County Schools

Warren County officers are searching for thieves who entered two Warren County schools during the weekend.

Deputy Sheriff Dorsey Capps, who investigated both breakins, said that thieves entered the Norlina High School last Friday night through a back window, and the breakin was discovered by the school janitor on Saturday morning.

Drawers in several rooms were ransacked and the contents scattered on the floor.

Taken by the thieves were a radio, typewriter, tape recorder and record player from the Norlina school.

Thieves also broke into the Vaughan school through a window on Sunday night. The only articles missing from the Vaughan school were a record player and tape recorder.

Capps said the similarity of the two robberies led officers to believe that both crimes were committed by the same parties.

Three Members Of Family Die In Fire At Littleton

LITTLETON - Three members of a family of six died in a fire which destroyed their home here early Sunday.

Killed were Ivy Hardy, 41, and two of his four children, Lewis, 2, and Eula 5.

The mother and two other children escaped the fire just before the roof of the house fell in. The mother, Mrs. Virginia Hardy, was hospitalized with burns on her legs.

Two other children who escaped the fire were Ivy Hardy, Jr., 13, and his 10-year-old sister, Linda Faye. Deputy Sheriff Jack Bobbitt said details of the fire were

scanty because he had not been able to talk to Mrs. Hardy. He said she was able to tell him that she jumped through a window, but he did not know how the other children got out.

Coroner B. B. Kimball of Enfield said there would be no inquest as far as "everything is concerned at this time. It appears that it was an accidental fire," he said.

Kimball said the temperature in Halifax County was near 32 degrees Sunday morning. He said the family probably started a fire before going to bed, but he did not know what kind of heater or fire they used.
