

An area of brushland is being converted to pine by using a crawler tractor with a KG blade in front followed by an 8000 pound bush and bog. KG blade in front, bush and bog in rear.

Soil Conservationist

Woodland Management Pays Dividends

By DONALD J. MANLEY  
Soil Conservation Service

A farmer, especially a small farmer, has to make every acre produce to have a good income. There are thousands of acres of brushland in Warren County that are producing very little. Many farmers in the county neglect their woodland and receive very little income from them. On the other hand, many farmers in Warren County farm and manage their woodland as carefully as they do their cropland and receive good profits in return.

The conversion of low quality brushland to high quality lob-

lolly pine is an important practice. This practice is usually referred to as woodland site preparation. Most of this site preparation follows a definite pattern. First, all merchantable trees are harvested. Second, the area is disked or a rolling chopper is used. Third, the area may or may not be burned over under the supervision of the N. C. Forest Service. Fourth, the young trees (usually loblolly pine) are planted.

Loblolly pine is the main tree which is managed in Warren County. But landowners are always encouraged to manage hardwood stands where conditions justify. Whether you

have hardwood or pines, there is always a decision which has to be made. You might have a poor stand and need to clear cut and start over. You might need to thin and manage what you have. The best way to get started on your woodland is to plan your work. Assistance in planning what is best for your woodland is available thru your local Warren County Soil Conservation District.

Timber has a great future but it must be planned for far in advance. Now, Mr. Farmer, is the time to convert that brushland to growing timber.

Matches Are Underway For Golf Championship

By "JUNIE" DRAKE  
The Warrenton Golf Club championship matches get underway this weekend with most play-offs for flight placement having been completed in the men's division.

Ladies play-offs started this week. Complete results are not available, however the men's championship and first flights have been determined, along with the fourth and fifth flights. Second and third flights are still in the play-off stage.

Joey Gilbert, defending champion, won by default from Club President V. D. Alston, who is out of town, gaining the

number one spot in the upper bracket of the championship flight. Junie Drake defeated Allen Tucker and is in number two position in championship flight.

Other winners to gain championship flight honors were Elree Hilliard over Bill Delbridge; J. R. Gilbert over Monroe Gardner; Duke Miles over Jimmy Roberts; Phil Daniel over C. C. Britton; D. F. Blaylock over Boyd Mayfield; and Bobby Edmonds over Gary Andrews. The losers in the play-offs go into first flight play. Because of a handicap scoring situation, play-offs were not deemed necessary in the fourth and fifth flights.

Matches already scheduled for quarter-final play starting Oct. 12 are as follows: Championship flight, Joey Gilbert vs Duke Miles; Elree Hilliard vs D. F. Blaylock; Junie Drake vs Phil Daniel; J. R. Gilbert vs Bobby Edmonds.

First flight, V. D. Alston vs Jimmy Roberts; Bill Delbridge vs Boyd Mayfield; Allen Tucker vs C. C. Britton; Monroe Gardner vs Gary Andrews.

Fourth flight, A. H. Floyd vs F. W. Reams; W. R. Drake vs Jimmy Tate; G. F. Alston vs Bill Hicks; John Andrews vs Hy Diamond.

Fifth flight, Benny King vs Raymond Harris; Arthur Williams vs Earl King; Mac Hilliard vs Bill Davis, and Sears Bugg vs W. A. Miles.

Results in one or two second and third flight playoff matches had not been reported at this writing.

A complete schedule of all play in both Lady's and Men's Divisions should be available for next week when play for championship and flight trophies gets in full swing.

The gram is the fundamental unit of mass or weight and is very nearly equal to the mass or weight of a cubic centimeter of water at its maximum density.

Connecticut was the first state to have a written constitution.

Warren County has a good pumpkin crop and some farmers and their wives are using them for decorative purposes. The display at the home of Mr. and Mrs. Thurman Paynter at Afton is attracting much attention.

Norlina Is Defeated By Stoneville

By GARY McCULLOUGH

The Norlina Blue Waves were hosts Friday to the visiting Eagles of Stoneville, losing their second non-conference game 7-0. As the score would indicate, defensive efforts dominated the game.

Stoneville's only sustained drive of the first half was ended with Kent Whitmore's interception of a pass at the Norlina 35. The Waves, however, also failed in their attempts to score: Jackie Walker's injury during a practice scrimmage caused him to be hospitalized, and Norlina's running game was seriously handicapped because of this. One drive ended with a fumble on the Stoneville 23.

Another Norlina effort began at the Waves' 39 yard line late in the second period. Weldon Rooker's carry for 18 yards put the ball on the opponent's 40; a personal foul cost the Eagles another 15 yards, and Whitmore ground out another 9 yards to the Stoneville 16. Red-dogging efforts forced White to throw on the run, connecting with Gary Egerton at the 4. Unfortunately for the home team, only 1 second remained to be played to the first half, and time expired before the ball could be snapped.

The only score in the ball game came early in the fourth quarter. The Eagles began a drive from their 20 and carried to the Norlina 15 before falling to gain a 1st down. The Waves fumbled on the 25, however, and from here the Eagles' Durrell Watkins connected with Bruce Ferris at the 9. Ricky Hancock took the handoff and plunged in for the tally; the kicking attempt was good for the PAT, and Stoneville held on a 7-0 edge.

Norlina's Dennis Norwood returned the kickoff to the 30, and White completed a 30-yard serial to Brantley at the Eagles' 40. Looking for the pass, Stoneville was able to thwart scoring attempts and go on to win 7-0.

The John Graham Yellow Jackets are hosts to the Blue Waves at Warrenton this week, following their 24-14 loss to Louisburg two weeks ago.

Federal Jobs Are Available For Clerks

RALEIGH - The Raleigh Interagency Board of U. S. Civil Service Examiners announces that applications are now being accepted for Clerk, GS-2 and GS-3. Salaries for GS-2 positions are \$94.00 per week and GS-3 positions are \$94.40 per week.

The Raleigh Board processes applications for all Federal agencies in the state of North Carolina.

For further information and/or application forms contact the Federal Job Information Center, 415 Hillsborough Street, Raleigh, North Carolina 27603.

Mrs. A. G. Borden is chairman of the event. Mrs. Carrie Evans is chairman of refreshments; co-chairmen are Mrs. Mildred Johnson, Mrs. Carol Martin and Mrs. Guy Betts. Mrs. Carol Robertson is decorations chairman and Mrs. Mildred Davis is reception chairman.

What 4-H Means To Me

By LINDA HOLTZMAN

4-H means many things to me. It has helped in so many different ways.

When I see our 4-H emblem I think of head, heart, hands and health.

4-H means leadership. It has helped me to be a good officer in our club and also to help the younger members with their projects.

4-H means working with others. During this year, I have helped our club members plant flowers and shrubs around the Ridgeway Post Office. We also painted picnic tables for our community club. We picked up trash and helped keep our community clean.

4-H is also educational. From 4-H, I have learned many things that will help me all through life. Every summer our club takes an educational tour. To name a few: Carolina Power and Light Hydro Electric Plant at Roxboro, the Westinghouse Meter Plant at Raleigh, the Carolina Telephone Company at Henderson.

4-H has also helped me compete with other 4-H members by filling out record books and giving demonstrations. The demonstrations have given me confidence to speak in front of an audience.

To me, 4-H also means savings. Some of my projects have

earned me extra money to put in my savings account.

Last but not least, 4-H also means fun at all of our 4-H activities. There is always recreation included. There is also fun in winning trips and other prizes.

I say 4-H is for all young people from the city and from the country. There is such a variety of projects - there has to be something for everyone!

'Maconeers' 4-H Club Organized At Macon

Boys and girls in the Macon Community met recently in the home of Mr. and Mrs. John A. Harrison and organized the "Maconeers 4-H Club."

After a discussion of the 4-H program by the adult volunteer leaders, the election of officers took place. Glen Banks was elected president and Deborah Harrison, secretary-treasurer. Reporters elected were JoAnn Harrison, and Dorothy Banks.

It was decided by the group that the club will meet on Thursday after the third Sunday, each month. The October meeting will be in the home of Mrs. Annie Banks.

Serving as adult volunteer

Extension Bulletin Board

Tuesday, Oct. 14: Burchette Homemakers will meet at 1:00 p. m. with Mrs. Leonard Terry. Snow Hill Homemakers will meet at 7:30 p. m. with Mrs. Archie Green.

Leaders for the club are Mrs. Sallie Harrison and Mrs. Estelle Somerville.

Lyndon B. Johnson was the first president to be sworn in by a woman.

Cards Of Thanks

The family of the late Mr. James Clifton Jones and Mr. Obediah Jones wish to thank their many friends and relatives for cards, flowers, telegrams, food and all other expressions of sympathy shown during their hour of bereavement. May God bless each and every one of you.

MRS. MARY F. JONES AND FAMILY

I would like to thank all my friends and relatives for the cards and flowers while I was a patient in Warren General Hospital and I would especially like to thank Dr. Coffman and the staff of nurses for their attention shown me.

MRS. EUNICE THOMPSON

CLARENCE A. DAVIS  
Sheriff of Warren County  
WARRENTON, N. C.

TO WHOM IT MAY CONCERN:

In regard to Mr. William Pryor Rodwell, Jr.'s capability to handle firearms, rifles, shotguns and ammunition, I feel he is thoroughly capable. I have known Mr. Rodwell for 25 years, and consider him a good citizen of high class standing.

He is from one of our best families, and has contributed much to the welfare of our county. He has handled his Hardware Store for the past 18 years successfully and with good principle.

He has no court record.

Yours truly,

*Clarence Davis*  
Sheriff of Warren Co.
