## Wreck Is Fatal To Mrs. Jones

A Warren County woman was fatally injured and four others were hurt in a three vehicle wreck on By-Pass 158 one-fourth mile west of Henderson at 5:55 p. m. Sunday.

Fatally injured was Mrs. Millie Long Jones, 64, of Route 1, Norlina, driver of a pickup truck involved in the wreck. Lafayette Jones, 80, and Mrs. Elnora Jones, 71, both of Wise, passengers in the truck, were admitted to Maria Parham Hospital following the accident.

The accident involved the pickup truck, a tractor-trailer truck and an automobile.

Injured but not requiring hospitalization were the driver of the Mason-Dixon Linest tractor-trailer truck, James Terrell Reese, 39, of Birmingham, Ala., and Mrs. John Wesley Jones, Jr., 45 of Union Level, Va. Mrs. John Wesley Jones was riding in the automobile driven by her husband who was not hurt.

Highway trooper King, who investigated the wreck, said that Mrs. Millie Long Jones and her two companions in the truck had been to Maria Parham Hospital to see Mrs. Jones' husband, who is a patient there, and presumably were en route home when the wreck occurred.

Trooper King explained that his investigation indicated the tractor-trailer truck, driven by Reese and carrying a cargo of 36,000 pounds of steel, was traveling west on U. S. 158 and veered across the center line to the eastbound traffic lane, colliding almost head on with the pickup truck operated by Mrs. Millie Long Jones, who was traveling east. After the initial impact, the pickup truck was knocked into the eastbound automobile driven by John Wesley Jones, Jr. Damages were estimated at some \$10,000 to the tractor-trailer truck, \$1,000 to the pickup truck which was owned by Lafayette Jones and about \$900 to the left front of the automobile.

Following the investigation Reese was jailed under \$10,000 bond on the charges of manslaughter and driving on the wrong side of the road.

Funeral services for Mrs. Jones will be held today (Thursday) at 3:30 p. m. at Locust Grove Baptist Church by the Rev. Jasper Evans. Burial will be in the church cemetery.

Surviving are her husband, Lafayette Jones; a brother, Matthew Long of Richmond, Va.; a stepdaughter, Mrs. Izora J. Bagley of Cleveland, Ohio; four stepsons, Hartwell of Brooklyn, N. Y., Erwin of Montclair, N. J., F. Watson of New York City, and Jasper W. Jones of Gaston.

### Average Is More Than 70¢ Pound

The Warrenton Tobacco Market will end its 1969 selling season at the end of sales on Thursday, Oct. 30. L. O. Robertson, Jr., sales supervisor, announced yesterday.

The closing date for the Warrenton market was decided by the Tobacco Board of Trade on Tuesday following a decline in volume of sales indicating that the local crop had just about been sold.

Robertson said that the Warrenton Market will have operated the same number of days as it did last year and will have sold nearly a million pounds more. There have been no tobacco holidays this year.

Through Wednesday the Warrenton Market has sold approximately eight million pounds of tobacco at an average price of more than 70¢ a pound. More than \$5,600,000 has been turned into the channels of trade.

Robertson said that the Warrenton market has had a most successful year. While the largest volume was not the poundage in the history of the market, he said, a record average was set. Growers, generally, he added, have been well pleased.

### Slight Change Made In Free And Reduced Lunch Procedure

The policy concerning procedure for making applications for free and further reduced lunches has been changed slightly from last year. Mrs. Sue Skinner, Warren County school lunchroom supervisor, said yesterday.

Mrs. Skinner said that applications are being accepted now and may be obtained from the principal in each school or from the office of the School Food Services Supervisor in the County School Administrative Building. If needed, assistance in filling these out will be given at these places.

The applications will then be forwarded to the County Board of Education who, after investigation, will make final determination as to eligibility of applicants. Following this determination, a list of those eligible and prices they should pay will be sent to the principal in each school.

Eligibility for receiving free and further reduced price lunches is figured from a graduated scale and is based on family income, number in the family and number of children in school, Mrs. Skinner said. Only those with \$2000.00 or below yearly family income are eligible unless the family is exceptionally large.

Mrs. Skinner said that after determination is made, individual cases who feel justified may appeal the original decision to the Board of Education and have their case reconsidered. These cases, however, she said, would be the exception rather than the rule.
