

No One Was Injured In Cave-In Of This Old Warrenton Church On Tuesday

Church Walls Come Tumbling Down

The walls of the old Warren Baptist Church in Warren, Ore., tumbled down Tuesday, causing the collapse of an 18-month-long structure's removal.

A brick chimney collapsed at the edge of Warrenton Gulf Station, and broken timbers blocked a drive which circles the station.

Pete Schuster, working at

The church was built in 1895 and was a brick building. It was a single-story building with a steeple. The church was built on a hillside and was a landmark in the town.

Shortly after the church fell.
