Ruritans Push Plans For Office Renovation

Club held its regular monthly meeting on Feb. 19 at 7 p. m. at the old Wise School Building. After enjoying a steak supper prepared by the Young Ladies Sunday School class of the Jerusalem Church, the meeting was called to order by the president, Luther Paynter.

A prayer was given for the family of Johnnie King, who died on Feb. 18. Johnnie had been a member of the club for many years and was on the Board of Directors. He was a hard worker in the community as a club member and always had a smile for every one. The Rev. Robert Warren offered the prayer.

W. C. King noted that the Wise-Paschall 4-H Club will have a project to restore Dr. Holt's office at Wise. The club will start soon going from doorto-door for donations for the project. The Ruritans will also start work on this project as soon as possible. Herbert Moseley was named treasurer of the project and contributions may be sent to Luther Paynter at Wise or Herbert Moseley at Route 1, Norlina.

Joe Cobb noted that the clothes collection is getting low because the club has given clothes this winter to needy families, including those families who lost their homes by fire. He announced that clothes that can be used are shoes, bed covers or anything useful in the home. Donations are needed and he asked that persons having donations call him.

Robert Ross notifed the club recently that the State would maintain the road going into the school. The club has tried to
