WE KEEP CRAZY CRYSTALS AT ALL TIMES—70c—1.00

The Warrenton boys had an enjoyable but came pretty near being "shirt-tailed" in their golf match with Roanoke Rapids Wednesday Peete saved the day by defeating his man to win one point.

We are glad to report that no reports have come from our many tobacco growing friends of blue mold in their plant beds, thus far.

Congratulations to the J. G. High School on winning the debates. The local team has our best wishes for a pleasant and profitable visit to Chapel Hill for the final.

It is our hope that the ladies will have more pleasant weather for their garden tour than we were experiencing yesterday.

No one has come forward to claim that "dope" which we so generously offered two summers ago to the golfer making a hole in 1. The offer still stands.
