

Third Annual Summer Arts Program Slated

By JANICE R. CRUMP
Monday, June 20, will mark the beginning of the Third Annual Summer Arts Program sponsored by The Soul City Foundation. — National Endowment for the Arts, in conjunction with the Interfaith Committee, the Parks and Recreation Association and the Soul City Cultural Arts and Historical Society. The program is designed to provide constructive, creative outlets for arts and recreation to the young people in Warren County and surrounding communities.

With the completion of the Magnolia-Ernest Recreational Complex comes the opportunity to provide swimming on a daily basis to all youngsters who enroll in the summer program. Lessons will be available to those children who are in the proper age range. In addition to swimming, there are basketball and volleyball facilities. The PRA

Program Director will design special outdoor activities for the group. As in last year's program, weekly educational field trips to art and history museums, parks and other historical sites will be planned.

Emphasis will be placed on the visual and performing arts, such as music, drama, dance and crafts. The culmination of the program will consist of a dramatic performance and arts and crafts exhibit. This promises to be the most rewarding of all our summer programs.

Parents who are interested in registering their children for the program should call 456-3780 (Interfaith Committee). Fees, to be paid weekly are \$8 for one child, \$16 for two children and \$22 for 3 children. Expenses incurred in the program such as swimming, field trips, lunch, snack and supplies are covered by the weekly fees.

Tribute Is Paid Deceased Member

Following the communion service on Sunday, June 3, in Clark Street United Methodist Church in Rocky Mount, tribute was paid to Mrs. Josephine Hicks Williams, who died April 26 after a long illness of cancer.

The communion set used was a gift to the church from a friend, Mrs. Mary Futrell, in memory of Mrs. Williams.

Mrs. Williams and her family lived in Warrenton for several years before moving to Rocky Mount.

During the tribute it was noted that Josephine started a morning devotion and a 10 minute prayer period at noon at the Rocky Mount undergarment factory where she worked.

She became an active member of the church immediately after joining and was first secretary of the Sunday school. She was in charge of the nursery and for the past 15 years was an active leader in the Educational Department. At the time of her death she was Work Area Chairman of Education.

Mrs. Williams was born January 27, 1926, in Vance County. She moved with her family to Rocky Mount in 1957.

Board Hears Complaint

(Continued from page 1)
and said it had been going on since the days he was a student at John Graham. He said that if the board would delay action he would bring a number of persons living near the field who would testify that the games were no problem.

The Board of Education did not take the view that Mrs. Harris had no grievance and were sympathetic to Mrs. Harris and her neighbors. However, the board was on record as favoring the use of school athletic fields for non-student recreation. Dr. Henderson favored a compromise. He suggested that no softball be played at the John Graham School on Sunday and that only two games be played a week, and that no games be played after 10 p. m. and that spectators be encouraged to promptly leave the field and the vicinity. The board agreed and so ordered.

Following the appearance of the delegation protesting softball play on the John Graham Athletic field before the Board of Education, John Hawkins appeared before the board in behalf of the Hawkins Alumni Association. He said that since the Alumni Association works for the John Graham School and the Hawkins School in the same manner as do Parent-Teacher Associations, the Association feels that it should not be asked to pay a \$100 fee, but actual expenses. Hawkins also said that he and other interested persons want to see the name of the Hawkins "Bulldogs," returned. He informed the commissioners that the name was changed to Patriots a few years ago.

Roosevelt Evans president of the Hawkins Alumni Association, who accompanied Hawkins to the meeting, supported Hawkins in his contention, stating that the Association is going to buy a six hundred dollar curtain for the Hawkins Gymnasium, and that plans for a dance following commencement had to be abandoned because of the fee. Hawkins also pointed out that the Hawkins Alumni Association had given \$1800 in scholarship to two John Graham seniors and a \$200 scholarship to a Norlina graduate. Hawkins was present during the discussion of the softball tournaments at John Graham and comments that emphasized the need for recreational support by the county.

The board members said they were appreciative of the Alumni Association's contributions, but under school rules contributions must be turned over to the schools and not individuals and all-money-making plans could only be sponsored by other agencies with all profits handled by the schools concerned. As for the name, Bulldogs, they did not know of the change and Bulldogs would be alright if it suits the principal.

from creative Drama and Movement Education by re-enacting "The Three Little Pigs" and forming alphabet letters with body movement.

The last subject area was music. Mrs. Mary Austell's class identified and demonstrated the use of rhythm instruments. They sang "We Jing Along" and accompanied themselves with the instruments.

Throughout the program, the kindergarteners sang several selections consisting of original lyrics set to familiar Walt Disney tunes.

Diplomas were presented to each of the 100 students by Principal Greene. The students presented the school with 32 handmade bud vases to be used in the school cafeteria next year.
