

Gardens Viewed; Three Winners Named

By **BERTHA B. FORTE**
Extension Agent
The annual garden tour sponsored by the Friendly Four Community Development Club was held Saturday, June 25. Participating communities were Embro, Grove Hill, Olive Grove and Vaughan.

Competition was keen and every garden was considered a prize winner. The top three gardens were those of Mr. and Mrs. Henry Hudgins of Embro, first place; Mr. and Mrs. John Wright of Olive Grove, second place; and Mr. and Mrs. Irving Kimble of Olive Grove, third place.

Other gardens in the tour received honorable mention and were those of Mr. and Mrs. Alex Henderson of Embro, Mr. and Mrs. Roy Branch of Grove Hill, Mr. and Mrs. James Gardner of Olive Grove, Mr. and Mrs. Branch Richardson of Vaughan, Mr. and Mrs. Jerry Spruill and Mrs. Emily Hudgins of Embro, Mr. and Mrs. Raymond Fitts of Olive Grove, Mr. and Mrs. Sam Powell of Vaughan, Mrs. Bettie Howard of Olive Grove, Mr. and Mrs. James Jordan of Embro, Samuel Russell of Embro, Mr. and Mrs. Bravid Watson of Vaughan, Mrs. Beulah Smith of Vaughan, and Mr. and Mrs. William Burgess of Vaughan.

The gardens were judged on size, according to number of family members at home; insect and disease control; clean cultivation; 15 or more recommended varieties of vegetables for family use, to include five or more green or leafy vegetables, three or more yellow vegetables, three or more vegetables high in Vitamin C, and four or more other vegetables, and arrangement and location of the garden.

Judges for the gardens were Mrs. James Clark of Vaughan and Mrs. Bertha B. Forte, Home Economics Extension Agent.

The tour ended at the home of Mr. and Mrs. Sam Powell, Jr. Remarks were

given by Mrs. Jerry Spruill, president of the Friendly Four Community Development Club.

The Vaughan 4-H Club sold dinners and sandwiches to the touring group.

MISS WHITE

Manson Girl Wins Title

Miss Rochelle White, daughter of Mr. and Mrs. Clarence O. White of Manson, was crowned "Miss Jazz Revue '77" at Eaton-Johnson School auditorium recently. Contestants from Franklin, Granville, Person, Vance and Warren counties participated.

The tenth annual Jazz Revue was sponsored by the Zeta Alpha Chapter of Omega Psi Phi Fraternity, Inc. Brothers from Warren County are D. P. Davis, Henry H. Green, A. M. Ward and James T. Wilkerson and they would like to thank all merchants and friends for their support in helping Miss White receive this award.

Money collected from the jazz revue is used for scholarship, to send needy boys to summer camp, and to give some needy families baskets at Christmas time.

Miss White is a rising junior at Norlina High School with an ambition to become a journalist. Her marshal for the occasion was James Moss.

Skinner Attends Conference

By **TOM SKINNER**
North Central District
4-H Reporter

This year I was selected to attend Junior Dairyman's Conference in Raleigh. It was held June 15 to 17. Two delegates were selected to represent Warren County. The other delegate, Scott West, was selected to attend the State FFA Convention which was also in Raleigh on June 15-17, so that left only me.

I arrived at 11 a. m. Wednesday, signed up and went to lunch. Before the day's activities began, we reviewed the conference schedule and everyone introduced themselves.

Our first stop was the Central Carolina Farmers Co-op headquarters in Durham. We learned how a big farmer co-operative works. We then toured the feed plant and saw what went into making feed (rations, vitamins, supplements.) Everything is done by machine except the adding of trace minerals to the feed. We left CCF at 4 and arrived back in Raleigh.

Everyone saw a movie about farmer co-operation entitled "Chaos or Co-operation." It was very interesting how the farmer co-ops got their start in the United States. Thursday morning was filled with a visit to the N. C. S. U. Campus. We learned about nutrition and how the dairy cow digests the food it eats from Drs. Ramsey, Rakes and Davenport.

Thursday afternoon we toured the Randleigh Farm outside Raleigh. This farm was given to N. C. S. U. by a man in New York and is operated by a grant from his trust fund. There we learned how to judge good silage and the use of chemical analysis in feeding and how to get a balanced ration by using a computer. Waste problems were also discussed.

Our speaker at the Thursday night banquet was James Walker. Mr. Walker is a representative of Dairyman, Inc., from Alabama. After a lot of color in his speech, we saw a movie on the research of the Extension Agencies across the country.

On Friday, we returned to N. C. S. U. to the Food Science Department which we toured extensively. I don't see how those people working in the plant could stand all 32 of us in there at the same time. At 12 p. m., we wrapped up the conference and everyone left for home. All in all everyone had a great time, and I bet they wouldn't mind coming back again next year.

Local Firemen

Receive Certificates

Three local firemen received certificates for completing 23-hour courses in firefighting at Wilson last week. Chief McCarroll Alston of the Warrenton Fire Department completed a 23-hour course in administration. Gene Medlin and Dennis Paschall of the Norlina Fire Department, completed courses in pump operation, maintenance and in flammable liquids, respectively.

The courses were given under the auspices of the N. C. Insurance Commission for the purpose of instructing firemen in this area on proper techniques in firefighting.

Training sessions were held at a local high school in Wilson and at Wilson Technical Institute.

Jaycees Hold Annual Picnic

Warren County Jaycees held their annual family picnic over the weekend at the cottage of Monroe Gardner on Lake Gaston. A spokesman for the local Jaycee chapter said that approximately 40 people attended the affair.

More Expensive

Avoid foods that are packed as individual servings. The extra packaging usually boosts the price.
