## South Granville, Minus Star, Outpaces Jackets

By DON STITH  
South Granville's football team for the first time in three years Friday night hit the gridiron without the services of Ricky Brummitt, former quarterback, punter and placekicker who is now playing for Duke University.

Brummitt and most season's starting line, and under the direction of a new head coach, putting together a winning team seemed a long way off. Victory came sooner than the team or coach expected, taking the form of a 28-14 win over John Graham here Friday night. It was opening game for both squads. The thorn in the side of the Yellow Jackets was Larry Holding, a 5-9 runningback with the power of a bull, if you ask any of several Warrenton Defensivemen. Holding ripped his way through the Jackets front

line and secondary for three touchdowns. Another was called back in the first half because of a holding penalty. The Viking's option plays caught the Yellow Jackets sleeping in the opening quarters but as the game progressed the option didn't work as well as South Granville would have liked. John Graham staged a remarkable pre-half-time comeback, knotting the scores at 14-all. Victor Harrison, John Graham's only athlete to letter in four sports last season with 4.6 speed in the 40 yard dash, used his exceptional speed on an end-around play to get Warrenton on the scoreboard with a 75-yard touchdown run. The extra point kick by Darryl Lyles was blocked.

As halftime drew near, South Granville punted to Brownja Alston, who was standing on the Warrenton 30 yard line. Alston eluded all Viking defenders and scampered down field on a 70-yard touchdown sprint. A conversion run and pass by the Yellow Jackets was good.

According to Yellow Jacket head coach Bill Frazier, Warrenton dominated all kick-off and punting situations. He admitted that his defensive inconsistency played a major part in Warrenton's loss. Offensively, Frazier feels like his squad did a fair job.

The Warrenton backs averaged 6.2 yards per carry. Harrison excelled in this category, racing for 163 yards on four carries.

Penalties took their toll against Warrenton, 115 yards in comparison to South Granville's 50. An off-side infraction against the Yellow Jackets setup the Vikings third touchdown.

Friday night the Yellow Jackets journey to Enfield to play the Cougars, who are sure to have fresh memories of their recent 28-14 win over North Pitt, a 3-A school. Spirits are expected to be high at Enfield, where an 8 p. m. kickoff is scheduled.

### Take Time

Take time to read labels, compare brands, grades and sizes for here are the keys to many savings. For example: canned whole fruits make attractive salads, while cut varieties in gelatin or baked desserts taste just as good.

## Field Goal Proves Fatal For Warriors

A last quarter 24-yard field goal by Wake Academy's David Chambers put the Raleigh ballclub ahead of Warren Academy 10-8 for a win over the Warriors here Friday afternoon at the Cow Palace.

Wake got on the scoreboard in the opening quarter with a 16-yard touchdown run by Glenn Carr, who also led Wake in rushing with 62 yards. The extra point kick by Chambers was good.

Warren Academy struck back in the third quarter with a two-yard touchdown run by Victor Coleman following a fumble recovery deep in Wake territory. Hinton Lee Alston hit paydirt on a halfback reverse for the two-point conversion.

Defensively, the Warriors played a good ballgame. Their defensive front line was consistent in making the big play on third down situations. Jerry Brown and Tim Capps stopped two threatening touchdown runs with unassisted tackles near the endzone.

Coleman led Warren Academy in rushing with 45 yards and hauled in the game's only interception.

Hinton Lee Austin was the defensive leader, making nine unassisted tackles. Coleman gathered seven unassisted tackles for the evening.

Friday afternoon the Warriors will host Wilson Academy, at 4 p. m.

Victor Coleman, Warren Academy's leading ground gainer, is stopped for short yardage on this play.

## Waves Find Defeat On Road

By DON STITH  
The Norlina Blue Waves, after opening season play with an impressive 28-0 win over Northwest, got a taste of defeat Thursday night as the Red Devils of Graham High School handed them a 48-14 loss. On the Red Devils' opening night. The game was played at Graham.

It was midway the second quarter before the Blue Waves could hit paydirt on one and two yard runs by Clifton "Pancho" Green. Both conversion attempts were stopped by the Red Devils who had gained an early 20-12 lead. First half scoring ended with a spectacular catch by the Red Devils' tight end with one second remaining on the clock. This gave Graham a

comfortable 26-12 halftime lead.

David Rowlette, the Blue Waves leading ground gainer with 68 yards on 15 carries, was winded twice during the third quarter and had to be sidelined momentarily. The running duties were shifted to Green who gathered 30 yards on 11 rushes.

The Red Devils scored once more in the third period and twice in the fourth. The Conversion attempt in the third period was stopped by Norlina but the Red Devils second team

quarterback found his target twice on fourth quarter touchdowns.

The only bright spot for the Waves in the second half came when the defensive front line sacked the quarterback in the endzone for a two-point safety.

Johnny Fleming, Norlina's quarterback, was sacked five times for a loss of 50 yards. He connected on five of 17 aerial attempts for 48 yards. Rowlette hauled in two passes for 14 yards, Allen Hargrove grabbed one for 14 yards and Darnell Champ caught two for 16

yards. On the ground, Norlina was outrushed by the Red Devils, 135 yards to 108. Their passing also surpassed the Blue Waves, 86 yards to 48.

Rowlette led the Waves defensive attack (11 tackles), assisted by Charlie Bullock's six tackles. Marvin Jones was also instrumental in the Waves defensive surge that fell far short of victory.

Friday night the Blue Waves host the Parkview Dragons at 8 p. m. in a non-conference game.
