News Of Warren Academy

Warren Academy is back in full swing! We were happy to get back after being out for the summer months. Of course, it is hard adjusting to a regular school routine after having so much free time this summer. Seeing and being with old friends help to make up for school work!

We would like to welcome our new teachers at this time: Mrs. Judy Young, first grade teacher; Miss Mary Turner, French teacher; Michael Lee, math teacher. These teachers are an asset to our school, and we are glad to have them with us. We welcome also our new students!

We also want to take this time to say "hello" to Mrs. Lucy Hundley and Jimmy who are in Florida. We cannot and will not forget you. We hope that you will have a good year in Florida. We at Warren Academy are also looking forward to another good year.

The annual staff has gotten off to a fast start. School pictures were taken last Wednesday. The annual staff was so well organized that we missed only a short time from class.

The senior class elected officers last week. These are the new officers: David Connell, president; Robert St. Sing, vice-president; Denise Leonard, secretary and Donna Reid, treasurer.

The junior class has already elected class officers. They are: Jesse Young, president; Burges Burrows, vice-president; Beth Harris,

secretary; and Melody Hilliard, treasurer.

Congratulations to all these class officers.

The cheerleaders have new uniforms and they are definitely "Warriorettes" now. The cheerleaders are Jill Wemyss and Rhonda Reid, co-chiefs, Elizabeth Newman, Robin Burgess, Mary Lou King, Beth Harris, Donna Coker, Lisa Haithcock, Melody Hilliard, Linda Bobbitt, Cindy Isles and Tonda Seaman. Congratulations to the returning cheerleaders and to the ones who were elected for the first time. We know that you will do an outstanding job in cheering the football team to victories.

Last Friday the cheerleaders had a rousing pep rally at the end of the assembly program. Thank you, cheerleaders, for putting us in the right frame of mind for the game. The weather had been dreary all day and we were in rather low spirits!

We take this time to offer our condolences to Coach Kearney and the football team, but also our congratulations on the way the team played. The team played well in the game with Wake Christian Academy and Wilson Academy, but with a streak of luck in the last two minutes of both games, the opposing teams came out the winners.

Keep practicing, team, and playing the way you have been, and we will come out winners! Maybe we can find a way to shorten the last quarter by two minutes. Anyone with ideas????????

## Bargain Hunters, Stew Lovers To Have Opportunity

This Saturday, September 17, is the day for stew lovers and bargain hunters to be in Ridgeway. The Ridgeway Volunteer Fire Department will provide "one-stop shopping" for area residents with a combination flea market and brunswick stew.

The flea market will offer numerous items including old tools, re-cycled toys and used clothing. There will also be some specially hand-crafted items and collectibles for lucky shoppers. The flea market sale will begin at 10 a. m. sharp.

Donations of used but usable items will be accepted. If you have sellable items to donate to the department drop them off at the fire house or call 456-3484 and a department member will pick up items.

The brunswick stew will be sold at the cantaloupe shed beginning at 11 a. m. Stew will be \$2 per quart with an additional twenty-five cents charge for those who do not have their own container.

Proceeds from the sales will go to the Ridgeway Fire Company.

The average household wastes \$80 to \$100 worth of food each year.

## Norlina High School ACTIVITIES

By Patricia Hicks

By PATRICIA HICKS

Another year has begun at Norlina High. There is no more relaxation for students; now back to tests, books and homework. Monday, the fifth day report, showed 445 students enrolled for the year. However, some students are still out of school working in the tobacco field. Maybe later, the enrollment will increase.

The students and faculty all join in welcoming our two new teachers to N.H.S. Mrs. Debbie Ferruccio and Mrs. Jan Honeycutt were added to our faculty as reading teachers. We also wish to welcome the new students. There are many new faces at N.H.S.

Everyone was smiling pretty when Mrs. Paul Underwood came Tuesday to take school pictures. The students really looked nice. I am sure the pictures will be good when they return.

Yesterday, (Wednesday) Miss Sandra Russell attended a Warren County Staff Development meeting conducted by instructional

personnel for the improvement of teaching. Miss Russell is our representative.

Last week, Dennis Retzlaff met with our school faculty. He discussed coordinating activities between the health department and the school.

Juniors, get ready. J. E. Pittman is coming Sept. 21 to receive orders for class rings. If everything goes well, they may return before Christmas.

Even through the drizzle of rain Friday night, the Norlina football field was the scene of another great game. The team poured it on and beat the Park View Dragons 22-0. Norlina held Park View to 54 yards on the ground. This win puts Norlina's record at 2-1. Congratulations team!

"Suede" is the French word for Sweden. French tailors were intrigued by the first soft, napped finish cloth from Sweden that resembled leather, so they named it after their neighbor to the north.

Featuring daily specials and good home-cooked food

**WE NOW FEATURE REAL ITALIAN PIZZA**

BE WITH US SATURDAY MORNING FOR CHOWAN RIVER SALT HERRING BREAKFAST

Serving this and our regular breakfast menu

## County 4-H Leaders Meet For Training Session

By GLENN WOOLARD  
Assistant Extension Agent  
Ten 4-H leaders from Warren County travelled to Louisburg College Saturday, Sept. 10, for the North Central District Leader Training Meeting. About 80 volunteer leaders from 16 counties gathered for this day of learning and sharing.

Mrs. Leora Davis of Cool Springs 4-H Club of Rt. 2, Norlina; Mrs. Grace Williams of Rt. 2, Ebony, Va., leads the Elams Club; Mrs. T. A. Hudgins of Rt. 2, Macon, shares leadership of the Embro Club; Mr. and Mrs. Marshall Wilson of Rt. 3, Warrenton, represented the Haliwa Club and Mrs. Sallie Harrison and Mrs. Estelle Somerville both provide leadership for the Maconeers Club. They were in attendance.

Also attending were Mrs. Sallie Patillo and Mrs. Alice Harrison of Rt. 1, Norlina, who work with the Oine Club; Mrs. John Burnette of Rt. 1, Manson, who is one of the leaders of the Youth Achievement of Drewry; and S. M. Cheston of Rt. 1, Norlina, who is with Youth Improvement of Norlina.

These leaders were able to attend their choice of two seminars in the morning session. Seminar 1, "Cages" (workshop on valuing) was presented by David Winiacki, 4-H Research Coordinator. Seminar 2, "Parent Involvement" was given by Mrs. Linda Conoley, Associate Extension agent, 4-H. Seminar 3, "Coping Skills," was done by Mrs. Carolyn Ennis, Supervisor of Instruction for the Johnston County Schools.

In the afternoon session, Mrs. Minnie Brown, State Agent for Home Economics, spoke on "Leadership is Caring." The leaders then had a chance to share some successful 4-H experiences. The training session was wrapped up with an exchange of ideas for National 4-H Club Week, October 2-8. The 4-H Extension Staff in Warren County wants to express their special appreciation to those leaders who

attended. A special thanks goes to Mrs. Sallie Patillo for providing transportation for several leaders. We urge them to share what they learned with other leaders so the youth of Warren County will receive greater benefit from their efforts.

## Young Republicans Plan Meet Here

All Young Republicans in Warren County are urged to be present at a meeting to be held in the Warren County Courthouse in Warrenton on Friday, Sept. 16, at 7:30 p.m.

Dick Levy, chairman of N.C. Federation of Young Republicans and Bill Fisher, Minority Representative on State Republican Committee, both from Greensboro, are looking forward to meeting with us, said John J. Hawkins. Clifford Leonard also promises to be present, he said.

Old line Republicans, it would do you well to be present also. You need a shot of that good OLD GOP SPIRIT, Hawkins said.

## Democratic Meet Scheduled Here

The Warren County Democratic Executive Committee will meet Wednesday, September 21, at The Carriage House in Warrenton at 6:30 p. m. All members of the Executive Committee are urged to attend, along with other interested Democrats. This will be a Dinner-Working meeting, with a full agenda.

Persons planning to attend should contact Ms. Patsy T. Hargrove, Secretary, to indicate their plan to have dinner; phone: 257-3195 (office) or 257-4138 (residence).

Columbus, on his second visit to the New World, carried back to Spain seeds from a red pepper plant which the Spaniards called "pimienta" now known as pimiento.

# Home improvements that can pay for themselves.

When you sink money into your home, you can be sure it won't go down the drain.

Because many improvements increase the value of your home by the amount of their cost. And in some cases, by substantially more than that.

For example, insulation, storm windows and a central heating/cooling unit increase property values and, at the same time, save you money on operating costs by making your home more energy efficient.

Making a new addition to your home, modernizing a kitchen and adding a bathroom can be sound investments, too.

You'll find many other home improvements that can substantially increase the value of your home in Branch Banking and Trust Company's booklet "Home improvements that can pay for themselves."

Our booklet also includes a number of helpful energy saving tips. Pick up a complimentary copy at any BB&T office.

And to keep the cost of home improvements to a minimum, ask about a money-saving BB&T Simple Interest Loan. (We also make Simple Interest loans for new cars.)

We'll explain all the ways it pays to borrow from BB&T.

## BB&T Simple Interest Loans
