Amidst a setting of rever-ence and simplicity, Saturday afternoon October 29, at two o'clock in Bethesda Baptist Church, Palmer Springs, Va., Miss Kathy Ann Paschall and Richard **Burton Puryear were united** in marriage. The Rev. Larry Wilson, pastor of the church, performed the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Edward Nelson Paschall of Palmer Springs, Va. Mr. and Mrs. Morris Allen Puryear of Baskerville, Va., are parents of the groom.

The altar was centered with a brass fifteen branch candelabra, flanked by baskets of white fall flowers and seven branch brass candelabra.

Mrs. Lawrence Ray Greene, pianist, of Union Level, Va., presented a program of pre-nuptial music. During the ceremony she rendered "If" and "The Wedding Prayer."

The bride was escorted and given in marriage by her father. She was attired in a formal gown of chantilace. Her headpiece consisted of a camelot cap studded with seed pearls from which flowed a fingertip veil of bridal net and chantilly lace. She carried a cascading bouquet of white carnations, pompons, baby's breath, with

Reception

Immediately after the ceremony Mrs. Clyde M. Turner of South Hill, Va., aunt of the bride, hosted a reception at the Palmer Springs Country Club.

A white linen cloth, accented with yellow ribbons, covered the refreshment table. The table was centered with an arrangement of yellow mums, in a silver epergne with burning yellow tapers.

A four-tiered wedding cake graced one end of the table. After the couple had cut the first slice of cake, the serving was continued by Level, Va., and Mrs. H. and associated equipment. Bernard Coley of Palmer Springs, Va.

Miss Teresa Walker of Buffalo Junction, Va., and Miss Debbie Tucker of South 'lill, Va., poured punch from refreshments consisted of cheese wafers, nuts, and

Mrs. Earl Moseley of Wise, Mrs. J. R. Hendrick, Jr., Mrs. Harold Clark of Palmer Springs, Va., and Mrs. Howard Hamlin of South Hill, Va., assisted with the serving.

Rehearsal Party On Friday evening, October 28, Mr. and Mrs. Morris Puryear, parents of the groom, honored the wedding party and their guests with an after-rehearsal party at

Bethesda Baptist Church. The table was covered with a white linen tablecloth and held a yellow and white floral arrangement. Lime punch, mints, nuts, potato chips, and cake squares were served.

The bride chose this occasion to present gifts to her attendants.

Medlin Serves As

Navy Crewmember

Navy Machinist's Mate Fireman Michael C. Medlin. son of Mr. and Mrs. Dolly G. Medlin of Norlina, is serving as a crewmember aboard the Navy's newest aircraft carrier

The USS Dwight D. Eisenhower was commissioned Oct. 18 at the Naval Station, Norfolk, Va.

Medlin is one of more than 3,300 officers and enlisted men assigned to the Eisenhower. Displacing more than 94,000 tons, she can travel at speeds in excess of 30 knots. In addition to her regular crew, the Eisenhower can accommodate 100 tactical aircraft and approximately 2,800 personnel assigned to an attack aircraft wing.

The Eisenhower is the second ship in the "Nimitz" class of aircraft carriers. She is named for the late President Dwight D. Eisenhower and along with the Nimitz, shares the distinction of being the largest naval vessels ever built.

The Eisenhower will be homeported in Norfolk, Va. Medlin joined the Navy in March, 1975.

Jacob Holt House Is Deeded To Town

The deed to the historic Jacob Holt house was officially recorded in the Warren County Register of Deeds office last week, thereby making the 19th century home the property of Warrenton.

Notice of the deed transfer, delayed somewhat due to paperwork, will be sent to the State Department of Archives and History which is to supervise the town's restoration efforts.

A team from that department will conduct research and archeological studies when time permits although actual work may not begin on the house until sometime in the spring, guessed town manager Bill Davis who cosigned the deed with Warrenton Mayor W. A. Miles last Wednesday morn-

ing.
"The archives department may allow us to stabilize the foundations or patch the roof in spots but I would guess no actual work would begin until sometime

next spring," Davis said.

Another step which the town must take before any changes are made in the structure is to select an architect to make record drawings of the building's interior, exterior, special features and any other historically relevant detail which should be preserved.

The town has \$20,000 in state and federal grant funds for use in restoring the home of the Warrenton architect who designed many of the ante-bellum homes here in the early to mid-1800's.

Another grant application for an additional \$10,000 grant from the National Park Service was submitted last week by Davis. He stated that archives

officials, who play a large role in determining what state projects most deserve grant funds, have indicated favorable interest" in this

most recent application.

With an appraised value of \$19,000, the house and lot at the corner of Bragg and Franklin Streets had been donated to the town by owner and town commissioner Mrs. Anna G. Butler. Federal and state grants, plus private contributions, are expected to eventually provide \$41,000 in the restoration effort.

Renovation of the house with grant funds will require that the town maintain the house to retain its historic integrity for a period of at least 30 years, that it be continually administered so that the public shall have access to the home for at least 12 days during the year and that the state would have first refusal if a bonafide offer to sell the property is received by the

Although the town owns the building, the Warren County Historical Association has asked if the town cannot maintain the home, that it be deeded to the historical association.

Speculated functions include use of the Holt house as headquarters for the historical association, as a city and county information and welcome center or as a type of historical museum.
