## Warren Plaza News

By MARTHA PAGE

On Thursday night, Dec. 8, the Providence Missionary Society, with Mrs. Anna Fuller in charge, visited Warren Plaza and gave the residents a Christmas party. Refreshments were served and Christmas carols were sung.

Every resident not bedfast attended and enjoyed it very much. Christmas is an exciting time for the residents here. Many, many of them have no families or anyone that cares for them and this time of the year is the only time they receive a gift.

On Wednesday night, movies were again shown by James Page. "Freddie The Frog" cartoons and "The Story of William S. Hart" were shown.

On Sunday evening, Dec. 11, the Bethlehem Christian Church of Rt. 3, Littleton, again visited us at Warren Plaza and gave another Christmas party for the residents. Refreshments were served, along with lime punch and gifts were distributed to every resident. I've never seen happier faces than I saw that night. It would gladden anyone's heart to see how much this means to these people.

We put up a Christmas tree and some decorations on Monday. We invite all of you to come by and visit with us. We are adding rooms for 12 more beds and will have 80 residents by spring.

Mr. and Mrs. Donald S. Higgins of Slaton, Texas, announce the engagement of their daughter, Stephanie De'Ann, to John Bradford Stalder, son of the Rev. and Mrs. D. D. Stalder of Anson, Texas, formerly of Warrenton.

She is a graduate of Monterey High School in Lubbock, Tex., and a senior at McMurry College. Brad is a graduate of John Graham and is studying at McMurry College.

A Dec. 30 wedding is planned at St. Luke's Methodist Church in Lubbock, Texas.

## UDC Chapter Has Luncheon

The members of the Warren County U.D.C. Chapter enjoyed a dutch luncheon at The Carriage House on Friday, Dec. 9. Upon their arrival at noon, they were greeted by Mrs. A. D. Harris, who presided, and opened the meeting with the Pledge of allegiance to the flag and a salute to the North Carolina Flag and the Confederate Flag. Mrs. W. R. Baskerville gave the chaplain's prayer.

After the luncheon the regular business session was held with various matters of interest being discussed and necessary action taken.

Mrs. James Bullock gave the program on the life of J. E. B. Stuart and Mrs. Roger G. Norwood read an appropriate poem for the season by Henry Van Dyke.

Following the program a Christmas fellowship hour was enjoyed with gifts being exchanged.

The next meeting will be held at the regular time in the home of Mrs. Thomas Ellington with Mrs. R. B. Butler presenting the program.

## Lodge Guests Honored

The lobby was beautifully decorated with Christmas appointments and the tree was aglow with lights.

Residents were served a ham dinner and presented gifts from the hosts. The dining room was decorated with miniature Christmas trees.

After the meal, the residents enjoyed Christmas fellowship.

One good thing about higher Christmas tree prices - it's a lot easier to reach the top now than it used to be.

Thirty years ago, people didn't sit in their living rooms watching 30-year-old movies.

Horse sense? Wasn't it the horse who was afraid of the automobile at the turn of the century, when pedestrians were laughing at it?

At no time is a little knowledge more dangerous than when someone is using it to start a rumor.

Rumor has it that our new line of fireplaces and accessories is fantastic at Alex Watkins, Inc., Montgomery St., Henderson.

**Create your own home cooking center with JENN-AIR GRILL-RANGE**

Jenn-Air's incredibly versatile model selection lets you create a range to meet your every need! In cooktops, choose the beauty of smooth white glass-ceramic or the electric conventional-element. Simply lift out either cartridge to convert your range to a Char-Flavor grill in seconds! Convected or Conventional radiant heat in your oven at the flip of a switch! The Conventional cooks your present recipes without change - Convected, your Jenn-Air cooks cooler and faster. (Turkeys, roasts and hams cook at 50° lower temperature, reducing cooking time as much as 30%!)  
 The powered ventilation system is built within the range, capturing smoke and odors more efficiently.
