Need For 4-H Club Has Been Long Standing

"God's 4-H Club" was the topic used by The Rev. Carlton Terry as he spoke at the Chapel Hill Baptist Church. Terry remarked that God knew the need for a 4-H Club in each of our lives a long time before man started 4-H Clubs. Terry emphasized that we should worship God with the total person. We should worship him with our heads, our hearts, our hands and our health.

The head or mind was taken from Matthew 22:36-40 in which it is written that we should love the Lord thy God with all our mind. We know that the mind controls our whole body. We should also love the Lord with all our heart. We are told in Proverbs that as a man thinketh in his heart so is he. As we think of our hands they can be greedy and selfish. They can also be helpful - a blessing to others. The fourth H is Health. We should keep our bodies

clean because they are the dwelling place for the Holy Ghost.

Joyce Butler served as mistress of ceremonies and gave the call to worship. The scripture was read by Phleish Hargrove and prayer was given by Percel Harrison, Jr. Wanda Alexander gave words of welcome to the guests.

The 4-H Pledge was led by Sybrina Wyche. The Terry Singers rendered music. The purpose of 4-H was given by Allison Harrison. The offering was taken by the ushers, Zenas Harrison, Ulysses Hargrove, and Jeffrey Hargrove; and offertory by Yvette Harrison.

Others who took part in the observance were Tammy Branche, Samantha Branche and Marie Downey. The service closed with the 4-H motto: "To make the best, better."

Fire Put Out

Responding to a call for assistance from the Inez Rural Fire Department at 10:45 p. m. Saturday, the Warrenton Rural Volunteer Fire Department sent 11 men, a tanker and a crash wagon to the home of Richard Cheek, Jr., Rt. 2, Warrenton, where a double-wide, multiple-room mobile home was on fire. The firemen succeeded in extinguishing the fire.

No one was at home at the time and the cause of the fire is unknown although a defective water heater is suspected.

Captain Walter Gardner of the Warrenton Rural Company said that fire damage to two of the rooms was heavy and all the interior of the home was badly smoke damaged. He estimated fire damage to be a quarter of the value of the building.
