OCEAN CHANGES

The floor of the Atlantic Ocean gets about 1 1/2 inches wider a year, according to the National Geographic Society. The Pacific Ocean floor, however, is shrinking.

NOTICE

On Monday, June 21, 1982, the Town of Norlina Board of Commissioners enacted the Town Budget for Fiscal Year 1982-83. A summary of the enacted budget showing the intended uses of Revenue Sharing funds and information supporting the budget actions taken by the Board are available for public inspection in the Office of the Town Clerk weekdays from 9:00 a. m. until 5:00 p. m.

YOUR  
DISHWASHER  
HAS A BIG  
APPETITE.

Appliances are a lot like people. Some of them need very little fuel to run on. And others are bottomless pits.

Your dishwasher uses a lot of energy because of all that hot water. So fill it up before you turn it on.

A full load of dishes gets just as clean as a small load.
