PAINT-CAN MESSES

Use a piece of wire coat hanger fastened across the opening of the can to remove excess paint from your brush. Insert the coat hanger wire in nail holes punched at opposite sides of the rim. Leftover latex paint stores better in an empty, clean plastic milk or bleach jug, just shake the jug to mix the next time you use it.

My appreciation for your support in the June 29th Primary

## Travel Packing Is Theme Of 4-H Program

"Packing for Travel" was the topic used by Mrs. Bertha Forte as she spoke to the Best Better 4-H Club at its regular meeting held recently at Mariam Boyd School.

Mrs. Forte urged 4-H members not to depend on mother for everything but to show responsibility in making plans, especially those relating to travel.

Packing for a trip should not be done at the last minute, but should start early with the making of a list of articles, and checking them off as they are put in the travel bag. She also told 4-H members how important it is to always be prepared by having a first aid and sewing kit.

Mrs. Forte's presentation was most fitting as 4-H members will be attending 4-H Camp, 4-H Congress, summer school and the annual 4-H summer trip.

The meeting was called to order by George Franklin, president. After the pledges, the devotion was led by Maggie Patrick, devotional leader.

Mrs. Arrington gave a report on the Leaders' Association and 4-H members gave a review of the work of the County Council.

Mrs. Barnes, organization leader, gave a report on the 4-H summer trip which will be July 2-9. She stated that the group will leave the Agricultural Building on July 2 at 11:30 p. m. traveling north to Buffalo, N. Y. July 4 will be a tour of Niagara Falls, Canada and also Niagara Falls, U.S.A. July 5 will be spent traveling to Cincinnati, Ohio where a tour of Kings Island on July 6 is planned. July 7 will be another day of travel to Knoxville, Tenn. with a stop and tour of the America Museum of Science and Energy in Oak Ridge, Tenn. July 8 will be their day to visit the World's Fair and plans call for arrival back at Warrenton on July 9.

After a question-and-answer period the meeting was closed with the club motto.

The Warrenton Lioness Club met with the Lions as their guests on June 26 for a barbecue dinner and dance. The dance was attended by non-members as well as members and was a fund-raising project for the club.
