Officers Are Installed By Chapter Of FHA/HERO

By CARLTON ANDREWS
FHA/HERO Reporter

Officers were installed in the Warren County High School chapter of FHA/HERO in a candlelit ceremony held on Thursday, Nov. 17 in the school theatre.

The officers who were installed were: Tonya Prince (president), Beverly Wilson (vice president), Lisa Steverson (secretary), Carlton Andrews (reporter), Kendra Henderson (historian), Angela Ellis (chaplain), Angela Vaughan (parliamentarian), JoAnn Perry (recreation leader) and Janiece Williams (HERO vice president). After lighting a candle, each officer explained the purpose of the organization.

Also installed as official host and hostess for the chapter were Carlton Andrews (Mr. FHA/HERO) and Miss Shekena Demery (Miss FHA/HERO).

Following the installation ceremony, a business session was convened and members were

treated to a performance entitled "Children Are Special" that was presented by the parenting and child development class. The program illustrated the needs of youths everywhere, including several special needs of handicapped, latchkey, abused and neglected children. Chapter members also discussed the possibility of a service project relating to needy children for the year.

Mrs. Janis Meek serves as advisor to the WCHS chapter.

When people see ads in the paper they should know firewood is sold in standard units called "cords," which equal 128 cubic feet. Dense hardwoods, like hickory, oak, maple and ash are the best buys. Softwoods, such as pine, burn rapidly and contain resin or pitch. Use firewood which has been cut, split and dried out for at least one year for more heat and less creosote build up.

Louisburg College Concert Is Slated

The annual Louisburg College Glee Club Christmas Concert will be performed on Thursday, Dec. 8 at 8 p.m. in the Clifton L. Benson Chapel on the Louisburg College campus. Daniel A. Steinert, glee club/ensemble director, announced this week.

According to Steinert, the 34-member glee club will perform music from the last three centuries. An experimental celebratory piece sung with electronic tape, John Rutter's humorous "Banquet Fugue," and a chorus sung by "shepherds" from the one-act opera "Amahl and the Night Visitors," will also be performed, Steinert said.

A reception held in the chapel lobby will follow the concert. No admission fee will be charged. For more information, contact Steinert at 1-496-2521, ext. 278.

In addition to his position on the faculty at Louisburg, Steinert is also choir director/organist at Wesley Memorial United Methodist Church in Warrenton.

The Children's Christmas And Special Needs Fund

The Holiday Season is a special time for caring, sharing and rejoicing for most of us. It is also a time when we are able to respond to the universal message of "Peace on earth, good will to men" by sharing our prosperity with others in need.

Last year a community effort through the Sheriff's Department raised approximately \$1,300 to provide a joyous Christmas for Warren County's most needy children, those in foster care and children with special needs. We were able to provide a \$50 gift to each child in a foster home (foster parents are not expected, and many are not able, to absorb this cost from the foster care allowance). In addition, money from this fund was used throughout the year to meet the special needs of children not provided for through other programs. For example, a burn vest was provided for one child whose parents could not afford it.

This year the Warren County Board of Social Services has undertaken the responsibility of sponsoring this fund. On behalf of the children of Warren County who have special needs, we would greatly appreciate your generous contribution. Will you help us make a child's Christmas a joyous one? Please mail your contribution to:
