The Yadkin Colored Folks Wan Republican Recognition.

Special Correspondence of The Sentinel. CHESTNUT RIDGE, N. C., Aug. 18 -Capt. J. A. Stikeleather, State or ganizer for the Prohibition party, is canvassing Yadkin county. He addressed an audience at Centre, Tuesday evening. The Capttai is a forc'ble speaker and argues his side well. He had no recruits from the grand old Democratic party, we are glad to say.

The negroes are speaking of putting a ticket in the field in Yadkin. They say they have voted the Republican ticket long enough and have had no share of the office. They say that turn about is fair play. If the Republicans

expect their support in the future they must swallow the darkey this time. Prof. Allen's School at this place is moving off well. He has about 80 students in attendance and over half
