### Liver Complaint

Is more surely and speedily cured by the use of Ayer's Sursapurilla, than by any other remedy. \*\* I was a great sufferer from liver troubles, and never found anything that gave me permanent relief until I began taking Ayer's Sarsaparilla, about two years ago. A few bottles of this medfeine produced a radical cure. - Win. E. Baker, 155 W. Brookline st., Boston, Mass.

A Remarkable Cure.

Ayer's Sarsaparilla has cured me of as bad a case of Abscess of the Liver as any human being could be afflicted with and live. I was confined to the house for two years, and, for the last three months of that time, was unable to leave my bed. Four physicians treated me without giv-ing relief, and, in fast, nothing helped me, until I tried Ayer's Sarsaparilla. After using a quarter of a bottle of this medicine I began to feel better, and every additional dose seemed to bring new health and strength. I used three bottles, and am now able to attend to my business. I walk to town - one mile distant - and return, without difficulty. Ayer's Sarsa-parilla has accomplished all this for me. - W. S. Miner, Carson City, Mich.

The Influence of Home.

How often has the sweet and touchng melody of "Home sweet, Home" drawn the tears to the eyes by its pathetic melody.

In this day of hurry and confusion, of jostling and smartness, there is one pot in the heart sacred to all, and that is the one consecrated to home.

The hope of every country rests upon the hearthstone; the future life and years of the citizen depends upon the early and sacred association of home.

Napoleon was once taunted because he could not create a French aristocracy. "What care I for a nation of nobles?" he asked. "Give me a nation of true mothers, and I will be stronger than all the monarchs of the world."

There was wisdom and truth in that speech.
