**ANNOUNCES**

that its doors will open on Sept. 5 to begin receiving your tobacco. A big break is expected; come early. Our whole aim is to please you.

**J. D. Nelms, Auctioneer and Mgr.**

**Mr. Tobacco Farmer:-**

**Remember these five things**

1. The Zebulon market made the biggest gain of any market in the State last year, and the average price obtained was among the highest.
2. All of the old line companies will be represented on our market and also a number of independent companies.
3. We are in position to give the farmers the very best service, and we guarantee to sell the tobacco and not the man.
4. There is not a town in North Carolina twice its size that has as many and as good state highway as Zebulon. Good roads will bring your tobacco to our market with more ease and less expense than to any other near by market.
5. Zebulon and the community at large is behind its market this season to make it the best in its history.

**THE DATE: SEPT. 6.**

**THE PLACE: ZEBULON.**

**WE WELCOME YOU!**
