

LIZARD LICK NEWS

Vacation Bible School meets the needs of the child through Bible, Missionary, and patriotic stories, in its music and memory work; in its notebook work, expressional activities and handwork, in its social life and its spiritual atmosphere. This is the week of fulfilling these needs with your child in the Hephzibah Church Community. Let's hope for a good attendance and successful work each day from 3:00 to 5:30 p. m. all this week through Friday.

Last Sunday's bulletin was dedicated to all the boys and girls and workers of the Vacation Bible School.

The attendance at church last Sunday showed that some one was happy because you asked them to church. Do this again this week and come again next Sunday.

Since Vacation Bible School is this week the W. M. S. will have its regular meeting one week later, which is June 22. Note this change and all members be present.

A meeting of the Training Union was held Monday at 8 o'clock p.m. in the church. An attendance Banner was presented to the church that had the largest percentage of its membership present in this meeting.

We are very sorry Mrs. Zeb Boardwell had a stroke sometime last week. May God speed her recovery.

Mr. B. J. Wiggs is in Rex Hospital receiving treatment. May he soon be well and home again.

Mr. P. W. Wood is still unable to use his arm very much and is receiving treatment from a Raleigh doctor.

If there be others sick you have our every wish and prayer for a quick return to health. Peace and comfort be with all the bereaved and broken hearted.
