# Ford leads all low-priced cars

**in V-8 power . . .** Of all the low-priced V-8's, only Ford's Y-block V-8 has an extra-deep engine block to give you smoother, quieter, longer-lasting "GO"! New Trigger-Torque power obeys your commands *instantly, reassuringly.*

**in years-ahead looks . . .** Only Ford brings you the years-ahead beauty of Thunderbird styling. The lower roof line, longer body line and flatter rear deck all say "fine car." And interiors feature new fabrics appearing for the first time in *any* car.

**in smoother going . . .** No matter where you go, Ford's advanced form of Ball-Joint Front Suspension smooths your way. Springs have been tilted to smooth out the bumps from the front as well as up and down for a new Angle-Poised ride.

**in modern power assists . . .** You can have your Ford as automatic as you want . . . at a price you want to pay. Power can help you shift, steer, stop . . . move windows and seat *both* up and down . . . even condition the air you breathe.

**in choice of models . . .** No other car offers you so many models to choose from. And in station wagon choice—whether you prefer 2 doors or 4 . . . seats for 6 or 8—Ford has a best-seller beauty to suit your needs.

**and in resale value . . .** Ford has traditionally returned a higher portion of its original cost at resale than any other car in its field. Why not get the whole story at your Ford Dealer's. You'll never want to settle for less than Ford.

*Sells more because it's worth more . . .* **Ford** *the new best seller!*
