## Most Modern Trucks on any job

with the most advanced truck features the industry has ever seen!

Only new Chevrolet *Task-Force* Trucks bring you the shortest stroke V8's in any leading truck and today's most advanced sixes—plus all these truly modern features!

They're the marks of a modern truck, and they out-date any make without them!

**Beginning with Work-Styling, an entirely new development in truck design.** For the first time in any line of trucks, Chevrolet brings you two styling treatments—one for light- and medium-duty models, another for heavy-duty jobs! Styling that's matched to the model and the job.

The latest in cab comfort and safety. Inside you can count on the same ultra-modern touch—softer seat action that reduces driver fatigue, and more durable construction throughout.

**New concealed Safety Steps.** Chevrolet's new Safety Steps are out of sight with the doors closed—stay clear of snow, ice or mud.

**New panoramic windshield.** For a wider, virtually unobstructed view of the road!

**Fresh air in all kinds of weather.** With new High-Level ventilation, air is drawn in through louvers at cowl level. That means air is constantly circulated through the cab, regardless of disagreeable weather conditions.

**High-Voltage power—V8 or 6.** The new lineup of Chevrolet truck engines includes the shortest stroke V8's in any leading truck, and most advanced sixes. All have a modern 12-

volt electrical system—double the voltage for quicker, surer starting and more efficient spark plug firing.

**Tubeless tires standard on ½-ton models.** Here's greater protection against blowouts.

**Every Power Helper in the book.** Power Brakes are standard equipment on 2-ton models, an extra-cost option on others. The new handling ease of Power Steering, another extra-cost option, cuts turning effort up to 80%.

There's new gas-saving Overdrive, as an extra-cost option on ½-ton models . . . and truck Hydra-Matic on ½-, ¾- and 1-ton jobs.

**The new Cameo Carrier.** Long and low, with smooth, fleet lines, here's the Custom pickup that may well create a new class of truck owners!

One final word. When the time comes to trade in '55 models, the man without a really modern truck stands to take a good-sized loss. Come in and see us soon.

**Chevrolet**  
Year after Year  
America's best selling truck!

You get the most modern trucks money can buy in
