YOU can come in right now on a Buick dividend distribution that's like money in the bank for you. And a look at the nation's new-car sales figures will tell you why.

*This year, Buick is doing far better than just outselling all cars in America except the two most widely known smaller ones. This year, Buick sales are soaring past every high-water mark in the book—past 600,000 cars—and we're still going strong.*

So we're declaring an extra dividend—for you. On top of the long trade-in allowances we have been making all year, we're adding a profit-sharing bonus allowance.

But you'll be getting a lot more than a great deal. You'll be getting a great car—the hottest-selling Buick in history.

You'll be getting Buick's far-in-advance

styling, Buick's mightiest V8 power, Buick's highly envied all-coil-spring ride, Buick's extra size and room and comfort and solidity of structure. And you'll be getting the performance thrill of the year—Variable Pitch Dynaflo®—the switch-pitch transmission that's taken the country by storm.

Come in today and see for yourself that there's never been a car like this before—and never a deal so easy to make.

\*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

Thrill of the year is Buick—
