

PLANS GIVEN

(Continued from Page 1)
committee suggested that if Wake-
lon School has a football game
scheduled, the students would be
invited to witness the contest. In
such an event, it is planned to
have half-time ceremonies in their
honor.

However, if no football game is
scheduled, a big square dance will
be held in the school gym and the
public will be invited. It was also
suggested in the committee report
that a square dance be held fol-
lowing the game, even if one is
played.

At the dance, the students would
be given an opportunity to demon-
strate some of their native folk
dances.

The program committee an-
nounced a tentative itinerary which
might be followed during the stu-
dents' visit. Saturday morning
would be spent visiting downtown
business places, recorder's court,
the town hall, and various other
places.

Saturday afternoon, the commit-
tee suggested that the students be
shown a tobacco farm and, if pos-
sible, a tobacco market in Wen-
dell.

In the evening, a chicken bar-
becue is planned for the collegians
possibly in the National Guard
Armory. This will be followed by
a panel discussion or talks by the
foreign students, to which the
public will be invited. The night
will be concluded with an informal
fellowship for the townspeople
and students.

Plans for Sunday morning call
for the students to assume the
teaching of the Sunday School
classes, as well as conducting the
11:00 worship services in both the
Baptist and Methodist churches in
Zebulon.

A farewell ceremony will be
conducted Sunday afternoon
around 3:30, after which, the stu-
dents will depart for Chapel Hill
on busses provided by the univer-
sity.

Another committee report, sub-
mitted by the housing and assign-
ment committee, recommended
that only one student be assigned
to each house, and further recom-
mended that, as far as possible,
students be put into homes with
children.

Mrs. M. J. Sexton and Mrs. Wil-
lie B. Hopkins are in charge of the
housing committee, and later will
be assigned an equal number of
students for housing. Anyone in-
terested in volunteering to keep
one of the students during their
stay in Zebulon will be asked to
contact the housing committee.
This will be done probably in Sep-
tember.

Families who volunteer to keep
one of the students will receive a

The publicity committee voted
to erect cloth banners which will
be displayed at the four major
highway entrances to Zebulon an-
nouncing that the "World is Com-
ing to Zebulon." This will be done
several weeks in advance of the
students' arrival.

When the students arrive on
Friday, they will be received by a
welcoming committee at the Town
Hall, at which time Zebulon Mayor
Wilbur T. Debnam will welcome
the group. One of the students
will then answer the mayor's
greeting.

Attending Thursday night's

meeting were Mayor Wilbur T.
Debnam, Mrs. F. E. Bunn, repre-
senting the Zebulon Woman's
Club, Margaret Cannady, Troy
Barrett, representing the local
Methodist Church, Rev. B. A. As-

The next regular meeting of the
program officials will be held on
August 30 at Town Hall for the
purpose of completing committee
reports.

Early in September, another

meeting will be held with two
representatives from Chapel Hill
and a foreign student. This group
will inspect the complete set of

plans for the project and at that
time, will decide upon definite
plans for the event.
