## Legion Auxiliary Completes Plans For May 26th Poppy Day Sale

The red poppy, symbol of the American Legion Auxiliary, was displayed prominently to remind the members that May is poppy month when the Auxiliary met Friday night in the home of Mrs. M. G. Crowder.

The meeting was called to order by the president, Mrs. Pat Farmer. After prayer by the chaplain, Mrs. Crowder, and the pledge of allegiance to the flags, the group sang one verse of the national anthem. This was followed by roll call and the treasurer's report.

The president reported on the Girl State representatives, and called on the following committee chairman for reports: Mrs. Dabney Gill, Child Welfare, reported she had received a letter from State Hospital, thanking the members for the assortment of cards collected and given them for the children that are mentally retarded; Mrs. Gilford Bufkin, Scrapbook, reported that she had mailed the club's scrapbook to the State chairman to be displayed at the

convention; and Mrs. Crowder and Mrs. Gill gave tentative plans for the Memorial Day services to be held on Sunday, May 27, in the Zebulon cemetery.

Mrs. Esten Corbett, poppy chairman, reported that plans for the annual poppy sales to be held Saturday, May 26, were complete, and the Auxiliary is looking forward to a most successful sale. The funds received from this sale help support the Child Welfare and Rehabilitation programs.

Following the business session, the hostess served a course of delicious refreshments. The hostess for the June meeting will be Mrs. Ferd Davis.

## Six Hundred Persons Give Cooley Hearty Ovations

Harold D. Cooley, congressional representative from the fourth district, opened a weekend of "fence-mending" last Friday night at Wakelon School.

Cooley spoke at a Cooley-for-Congress rally. He is opposed in the May 26 Democratic Primary by W. E. Debnam of Raleigh.

Cooley challenged opponent to "prove his identity" with the Democratic Party. He said he did not have to prove his loyalty to the party, for the people know where he stands.

Debnam during the past few weeks has conducted a vig-

orous campaign based mostly on Cooley's failure to sign the "Southern manifesto" protesting Supreme Court rulings on desegregation.

Cooley said Debnam should be running in the general elections in November rather than the Democratic primary.

"His farm program is very much akin to that of President Eisenhower and Benson's," Cooley said.

"A few weeks ago we passed a good farm bill which the President vetoed. I now challenge him to veto this present bill."

The motion picture "John Wesley" is coming to Zebulon and will be shown at the Zebulon Methodist Church on Sunday, May 13, at 8 o'clock.

The Baptist and Methodist Church of Zebulon join together in the showing of this film and invite all in the community to join in this heart-warming experience.

The feature-length film is in Eastman color and was produced by the Radio and Film Commission of The Methodist Church in cooperation with J. Arthur Rank.

It brings to the screen for the first time the dynamic and colorful 18th century evangelist and educator.

John Wesley's miraculous rescue from a burning house at the age of five, at the beginning of the film forecasts the dramatic and eventful life which unfolds in this story of a man of slight stature but of impelling influence upon his contemporaries and upon history.

The English clergyman thought his venture in America as a missionary to the Indians in the Georgia colony was a failure, but it was the kind of failure which opened the door to the discovery of a religious certainty he had been seeking.

Furthermore, this discovery, in which John Wesley felt his "heart strangely warmed," led him to face (See FILM, Page 5)
