Sawmill Lost in \$5,000 Blaze; Police Seek Culprit

The sawmill belonging to Daylon Pulley was destroyed by fire Friday between 12:30 and 1 o'clock.

According to investigating officer Deputy Sheriff Earl Duke evidence pointed to the fact that the sawmill was set fire by some unknown party or person.

Deputy Duke said fuel oil had been poured around various pieces of equipment, saturating the ground.

Approximately \$5,000 worth of damage was incurred in the blaze, Deputy Duke said.

Investigation is still underway. The Zebulon Rural Fire truck was called to help extinguish the fire.

Pulley's sawmill was located near W. H. Hopkins' store on the Wake Forest route.

Bulla Announces It's Shot Season

This is to announce the Wake County Health Department annual typhoid fever and diphtheria vaccination schedule which will begin June 11, 1956, and end July 5, Dr. A. C. Bulla, Wake County health physician, said.

We have typhoid and diphtheria, as well as many other communicable diseases, under control. Typhoid fever and diphtheria are practically eliminated and seldom occurs in a community. Let's keep them under control, Dr. Bulla said. In order to do this, we must keep a larger percentage of the counties population immunized. This is especially true of diphtheria.

MASCOT

Susan Denise Christopher

Susan Denise Christopher, 2½-years-old, served as mascot of the Summerfield High School which held its commencement exercises May 28.

Denise is the daughter of Mr. and Mrs. J. W. Christopher of Greensboro, and the granddaughter of Mr. and Mrs. Ayden R. Wall of Zebulon.

Masonic Notice

There will be an emergent communication of Zebulon Lodge, No. 609, AF&AM, tonight at 7:30 o'clock. All Master Masons are cordially invited. Work in the inter-apprentice degree will be conducted.

Swim Program Given by Red Cross Is Popular

One hundred fifty children were enrolled in the Red Cross "Learn to Swim" program at Lake Glad last week. Approximately one-third of these children are from the Zebulon area with most of the others coming from Wendell.

The cost of transportation is supplied by the recreation commissions from Zebulon and Wendell. The activity buses from both schools are being used to transport the children to the swim classes.

There is no individual expense for these swimming lessons due to the courtesy of the owner of Lake Glad by arrangement with the Red Cross.

Children at least eight years old may still enroll for swimming lessons at Lake Glad at 1:30 each afternoon for the remaining two weeks' program.

Teachers are badly needed, officials have announced. The success of the program depends upon volunteer teachers and helpers. Adults who are non-swimmers can be beneficial to the program.

Life Saving Classes

Junior and Senior Life Saving will be offered by the Red Cross at Lake Glad beginning June 18. Anyone at least 12 years old and a strong swimmer may enroll from one to four o'clock June 18 at Lake Glad, or by calling Miss Gayle Privette at 6173.

Time for the classes will be arranged and will not necessarily be during the afternoon. The only charge is a nominal fee for the textbook.

Record Number Attend Recreational Program First Week

More than 667 persons participated in the Zebulon recreation program last week, according to recreation director Charles Hester.

Hester said that he is very pleased with the recreational program thus far, and foresees even greater success of the program as the summer progresses.

He said 21 boys are participating in the Midget baseball program, and all boys 13 years old and under are permitted to take part in this activity.

Last Friday night the Wakelon High School band gave a concert on the athletic field. More than 125 people enjoyed this open-air concert. Following the concert a dance was held in the gymnasium.

Hester said that plans are underway now to have an orchestra play for the dance this Friday night. He said an announcement concerning this will be in Friday's paper.

Fifty children attended the Red Cross swimming classes at Lake Glad. All children that have reached their eighth birthday are urged to take this opportunity to learn to swim or improve their swimming under a very efficient group of instructors, Hester said.

He also said that plans are now underway for the organization of an art club if enough people are interested. This club will include both children and adults. Interested persons are urged to immediately contact a member of the recreational department.

This week's program.

Tuesday: 1 p.m. activity bus leaves for Lake Glad with persons who will take swimming lessons.

Midget baseball from 5:30 to 6:30.
