CONCORD, N. C., JULY 20, 1910

One thing was evident at the Democratic convention—the day of long-winded nominating speeches is ended. Under no circumstances should these speeches exceed ten minutes, and seconding speeches five minutes.

The movement to put county officers on salary instead of allowing them fees for their services is growing. The matter is being agitated in Rowan, and the Salisbury Post says the Rowan delegation in the Legislature is being formed to make the change in that county.

A Farmer who Knows How to Charge.

One farmer, at least, is playing with the automobilists along the national auto highway between Atlanta and New York as is shown by the experience of Mr. J. E. Kennerly, of Winston-Salem, who made a strip to Spencer last Sunday in a machine, says the Spencer correspondent to the Charlotte Chronicle.

Illegal to Loan Friend a Bottle of Whisky.

A new rule in the operation of the state prohibition law has just been laid down by Judge Cook at Raleigh in a verdict of guilty of retailing on the admission set up as a defense by Bansom Baker, of Wake Forest, that he loaned a friend a bottle of whisky.

Republican leaders are already working on a plan to prevent increased representation of the South in the house under the new census and it is predicted that the membership of the house will not be more than 410 under the new apportionment, it being 391 now.

When an oyster is a fortnight old, it is not much larger than the head of a pin. At the end of four years' growth it is fit for the table.

Experience Proves.

Time tells which is best and most reliable. For 10 years Perry Davis' Pain-Expeller has been driving away pain and bringing health—as a remedy for sprains, burns, bruises, rheumatism, neuralgia, it cures colds, cramps, bowel complaints. But be sure to take this unqualified remedy promptly. Large bottles 50 cents or larger 50 cents.

Miss Dora Burkhead left to-day for North Carolina where she will visit her mother, Mrs. Colvin Burkhead.

NEEDFUL KNOWLEDGE.

Concord People Should Learn to Detect the Approach of Kidney Disease.

The symptoms of kidney trouble are so unmistakable that they leave no ground for doubt. Sick kidneys excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back aches constantly, headaches and dizzy spells may occur and the victim is often weighed down by a feeling of languor and fatigue.

You can use no better remedy than Doan's Kidney Pills. Here's the Concord proof: Mrs. L. M. Moser, 240 N. Spring street, Concord, N. C., says: "I used Doan's Kidney Pills with such good results that I am glad to recommend them. I had symptoms of kidney trouble for a long time and when Doan's Kidney Pills were brought to my attention, I procured a supply at Gibson Drug Store. They soon relieved me and thus encouraged, I continued their use until I was cured. I advise similarly afflicted to give Doan's Kidney Pills a trial."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Hot Fight in Sixth.

The Democratic convention of the sixth congressional district will convene next Thursday at Wrightsville Beach and every indication points to its being one of the most stubbornly contested fights in Eastern Carolina for many years, and will equal the contest in the fifth district.

Iron and gold when melted together may be mixed in various proportions and hardened or crystallized. Alloys containing 10 per cent of gold are harder than pure iron, but as the proportion of gold increases above that amount the alloy becomes softer. Silver and iron do not form alloys.

'Foley's Kidney Pills Have Cured Me.'

The above is a quotation from a letter written by H. M. Walker, Evansville, Ind. "I contracted a severe case of kidney trouble. My back gave out and pained me. I seemed to have lost all strength and ambition; was bothered with dizzy spells, my head would swim and specks float before my eyes. I took Foley's Kidney Pills regularly like a new man. Cabarrus Drug Co.

Preliminary Bout.

Maude—When does your breach of promise suit come up in court? Clara—To-to-morrow m-morning. Maude—There, dear, don't cry. I'm sorry to see you so overcome. Clara—Oh, I'm not overcome; I'm merely practicing for the jury.—Chicago News.

Is Life Worth Living?"

Mrs. Mollie McRaney, Prentiss, Miss., writes that she had a severe case of kidney and bladder trouble, and that four bottles of Foley's Kidney Remedy cured her sound and well. She closes her letter by saying, "I heartily recommend Foley's Kidney to any sufferer of kidney disease. It saved my life." Cabarrus Drug Co.

Has it ever occurred to the busy housewife that the dust pan and brush should have a good washing in hot water and soap now and then? Naturally the dust brush is a great germ catcher, and after being washed it should be hung in the sun to dry thoroughly.

Must Be Above Suspicion.

Kidney and bladder ailments are so serious in their consequences, and if unchecked so often fatal that any remedy offered for their cure must be above suspicion. Foley's Kidney Pills contain no harmful drugs, and have successfully stood a long and thorough test. Cabarrus Drug Co.

Ukerdek—What makes you think that he is a man of metal?

Gobang—Well, he has a steady eye and a wiry beard.

Hay Fever and Asthma

Bring discomfort and misery to many people but Foley's Honey and Tar gives ease and comfort to the suffering ones. It relieves the congestion in the head and throat and is soothing and healing. None genuine but Foley's Honey and Tar in the yellow package. Cabarrus Drug Co.

CAREER OF MRS. E. H. SAVAGE

Mrs. Richard Henry Savage, widow of the celebrated author and orator and herself well known as a lecturer and critic, who recently died in her home at New York, was the daughter of a court chamberlain in Potsdam, Germany, and an intimate of many of the present royal heads of Europe. She was Josephine Schuble, daughter of Charles Schuble, one of the "kitchen cabinet" of the father of the present emperor of Germany.

In 1878 Mrs. Schuble married Richard Henry Savage, a young army officer, who, after his retirement with the rank of major, entered upon a brilliant literary career. He volunteered at the outbreak of the Spanish-American war and received a commission as colonel. He died Oct. 11, 1908. Mrs. Savage then continued her husband's work in the literary field.

In her life in the capital and the large cities of the United States and Europe Mrs. Savage met many of the distinguished persons of her time. All the presidents since Lincoln, Prince Bismarck, Count Tolstoy, Victor Hugo and others more or less distinguished were her friends.

GIRL STUDIES FOOD OF POOR.

Attends School of Technology to Acquire Knowledge.

Although Miss Helen Fales, the one girl graduate of the Massachusetts Institute of Technology to receive a degree this year, will not confirm the rumor, there is a strong probability that she will devote her time now to a study of conditions obtaining in the food supplies of the poorer classes of large cities, such as Boston, New York and Chicago.

Miss Fales, the one girl to get her degree out of 273 men classmates, has strong philanthropic leanings.

Miss Fales entered the Massachusetts Institute of Technology after having graduated from Vassar college to take up the study of the chemistry of foods particularly and to obtain a degree of bachelor of science incidentally.

Miss Fales lives in South Framingham, Mass., and belongs to the most exclusive circles, but will forego a social career and will devote her time and effort to bettering the condition of the poorer classes who are not able to get the training to fight for themselves.

MONUMENT TO ADAM AND EVE

Washington Apple Growers Propose to Honor Memory.

A. F. Crowell, formerly deputy state horticultural commissioner of Spokane and Stevens counties, Wash., has submitted a proposal to the national apple show to erect a mammoth monument to Adam and Eve in one of the apple belts in the northwest. The board of trustees of the organization, of which Howard Elliott, head of the Northern Pacific Railroad company, is president, is discussing plans to offer a substantial prize for the most appropriate design, submitted in competition, to be awarded by popular vote at the third annual show in Spokane the week of Nov. 14.
