The above program is given to indicate the nature of the Institutes, but it may be changed or added to, as those present desire. A question box will also be open, into which all are invited to put such questions as they desire discussed. A large number of intelligent questions means an interesting institute, and special attention will be given to these features.

The Farmers' Institutes are held for the benefit of farmers, and none but strictly farming questions will be discussed. It is, therefore, especially desired that a large attendance of farmers and their families be secured, and to this end you are urged to be present and to induce your neighbors to do the same.

Bring a pencil and blank book in which to take notes.

A premium of one dollar will be awarded for the best five ears of corn exhibited. The five ears exhibited must be of one variety, uniform in shape, size and color. Mixed corn or mixed varieties will not be allowed to compete for the premium. The exhibitor must be able to give, as far as possible, the name of the variety, its productivity, yield per acre, and whether grown on upland or lowland. This offer is made solely with the view of studying corn and the comparing of different varieties.

A Woman's Institute will be held at the same time on the same day, and during the same hours. The following will be the programme for this meeting:

Suggestions in household work; The House Fly; Common Diseases and Their Prevention; Other Household Topics, by Misses Josephine Scott and Edna Rinehardt.

The Sunday School Convention of N. 9 township will be held at St. Paul's church at Best Mills August 4th, 1910. All the schools and pastors that have appointments in the townships are invited to be present and take part in the exercises. A choir from each school is expected to be present and help with the music. Everybody invited.

D. M. DRY, President.

State Senator O. L. Clark, of Bladen county, who was nominated by the Democrats for Congress to succeed Congressman Godwin in the sixth district, is a brother of Rev. Dr. Byron Clark, pastor of the First Presbyterian church of Salisbury.

GODWIN NOMINATED TOO.

When Regulars Adjourn His Followers Organize Another Convention.

Immediately after the adjournment of the regular Democratic convention of the Sixth congressional district at Wrightsville Beach at an early hour Friday morning, the Godwin forces announced that they did not recognize any action taken by the convention and proceeded to call to order and organize a "convention" of their own, the body having been called to order by George H. Bellamy, the deposed chairman of the executive committee.

An adjournment was at once taken until 10:15 o'clock Friday morning, when the "convention" reconvened and by the committee on credentials holding that Godwin was entitled to 11 votes from New Hanover and six from Cumberland, certain citizens present from the counties having been named by the committee as delegates from the two counties mentioned. Godwin was nominated on the first ballot, receiving nine more than the required number. It appears to be the intention of Congressman Godwin to run, no matter who is regarded as the regular nominee.

The general opinion prevails and in fact Godwin men admit it, that no effort will be made by the Godwin forces to carry the matter before the state executive committee, but Godwin will fight the matter out before the voters next November, his friends asserting that he can beat Clark and any man the Republicans can place in the field. Godwin is very strong in the rural sections and if remains to be seen what the voters of the district think of the course pursued by the Godwin followers.

Mystery Surrounds Death of Young Man at Lexington.

The death of the young white man, who was killed by the northbound Southern railway train about a mile and a quarter from Lexington Sunday night, is now surrounded by mystery. The man was at first supposed to be W. F. George, but this theory was exploded when Mr. George was located at the Mecklenburg Automobile company's garage in Charlotte next day. Then it was said to be J. B. Hill, a discharged employe of the Mecklenburg Automobile company, but now come two letters from the other supposed victim, J. B. Hill, who is at Athens, Ga. In consequence of these discoveries, mystery surrounds the death of the young man, whose body was found mangled and scattered up and down the railroad track.

Reception in Honor of Mrs. Stuart.

Mrs. R. K. Black gave a delightful reception Thursday afternoon from 5 to 6 o'clock in honor of Mrs. W. W. Stuart, who is soon to move away from the city. Mrs. Stuart, Mrs. Black and Mrs. H. I. Woodhouse received the guests in the parlor, Miss Lucy Lore received them as they entered door, and Mrs. W. W. Flowe welcomed them in the hall. Mrs. S. J. Ervin conducted the ladies to the dining room, where a delightful luncheon was served by Misses Addie Lore and Josephine Smith, Mrs. W. W. Morris and Mrs. J. F. Hurley. The home was beautifully and most tastefully decorated with nasturtiums and other flowers. A most pleasant evening was spent by all the guests.

Death of Mrs. Margaret Ritchie.

Mrs. Margaret M. Ritchie died Friday evening at 5:30 o'clock at the home of her son, Mr. Jno. H. Ritchie, on South Union street. Mrs. Ritchie was in her eightieth year. Her health had been failing for several years, due to the infirmities of old age. She had been here for about three months. She was the widow of Mr. Aaron Ritchie, who died over twenty years ago. She leaves four sons and one daughter, namely: Messrs. Jno. H. Luther, Monroe and Jack Ritchie, and Mrs. Milas Safrat. The body will be interred at St. John's cemetery this afternoon at 3 o'clock, and the funeral service will be conducted by Rev. T. W. Smith.

Death of Mrs. George Edwards.

Mrs. George Edwards died at her home on Franklin avenue Friday evening at 7 o'clock after an illness of many years of cancer. She was about 60 years of age, and leaves two daughters and three sons. One of her sons is Mr. Elisha Edwards, superintendent of the Patterson Manufacturing Co., of China Grove. Her husband died about a month ago. The funeral service will be conducted this afternoon by Rev. J. A. J. Farrington and the body will be interred in the cemetery at Rocky Ridge.

Cotton leads by a big margin, the list of chief articles exported from the United States during the past fiscal year. Cotton exports were valued at four hundred and fifty million dollars.

Will be Held at Forest Hill Methodist Church This Afternoon.

The funeral service over the remains of Capt. J. M. Odell will be held this afternoon at 4:30 o'clock at Forest Hill Methodist church, of which he was one of the founders and of which he has been one of the main supporters since its organization. Bishop Kilgo, who is attending the district conference at Burgaw, was unable to come to Concord to preach the funeral sermon.

The service will be conducted by Rev. W. L. Hutchins, Capt. Odell's pastor, assisted by Rev. Dr. J. M. Grier, pastor of the First Presbyterian church, and Rev. Dr. J. C. Rowe, Presiding Elder of the Salisbury district. Rev. Plato Durham, pastor of Central Methodist church, will preach the funeral sermon.

The following will be the active pall-bearers: L. D. Coltrane, John M. Cook, W. C. Houston, G. M. Lore, J. F. Dayvaunt, E. C. Barnhardt, D. Morrison, B. L. Amick. A number of other friends will arrive this afternoon on No. 7.

After the service at the church the remains will be laid to rest in the family mausoleum on the crest of Oakwood cemetery.

Capt. Odell leaves two sisters, Mrs. Swain, of Millboro, and Mrs. Tabitha Elison, of Franklinville.

Stanly Republican Meet Today.

The Republicans of Stanly will hold their county convention in Albemarle today, Representatives Cowles, of the Eighth congressional district, and Representative Ralph D. Cole, of Ohio, will speak in the opera house at 2 o'clock in the afternoon.

It is almost certain that all the old officers will be nominated for the office now held, except A. A. Thompson, at present chairman of the county commissioners, who will probably be named for clerk of Superior court, as an Albemarle correspondent of the Greensboro News. Up to this time he seems to be the only aspirant. A. D. Shoe, of extreme north Stanly, is very prominently spoken of as Thompson's successor. All opposition to the present sheriff has subsided, which assures him of the nomination. Dr. J. L. Campbell representative in the House in the assembly of 1909 and supervisor of census for the Eighth North Carolina district will be nominated for the state legislature.

Soldiers Stole Mr. Powell's Pipes.

Statesville Landmark.

Some of the soldiers who passed through Statesville on the train yesterday did Mr. W. H. Powell a mean turn. Two of them took pipes from him for which they did not pay, Mr. Powell says. The men who took the pipes, he was informed, were in the car said to be occupied by the High Point company, but whether they were members of that company he doesn't know.

Soldiers make a habit of doing this sort of thing, but whenever they do it they discredit their uniform and the service and deserve exactly the same treatment meted out to other offenders.

Gets Six Month on the Gang.

John Gordon, a coal black young negro of this city, went out on the warpath last night, and in a few short hours he committed enough offenses against the law to entitle him to six months' board at the county chain gang camp. Early in the night he proceeded to take on a good "charge" of cocaine and booze, mixed with other ingredients, and went over to Happy Hill to the home of Katie Boger and tried to get in. He was refused entrance to the front door, whereupon he went to the back door and proceeded to force the door open. Katie took a chair and began to make things so unpleasant for him that he left in short order. He then went to Lou Johnson's house and raised a window and entered. She promptly put him out. Her porch evidently appeared to him an inviting place to take a "nap," and it was while here in the midst of his midnight siesta that his dreams were interrupted by Policeman Sloop. He was locked up and at the trial this morning was sentenced to six months on the gang.

Duncan Against Morehead.

The evidence is multiplying daily to show that the Republican State to convene in Greensboro August 10 will be any thing but a pink tea affair. The big fight will be over the election of a State chairman to succeed Judge Spooner B. Adams, who declines a re-election, and the opposing candidates will be Mr. E. C. Duncan of Raleigh, the North Carolina member of the Republican national committee, and Hon. John M. Morehead, the Representative in Congress from the fifth district.

After Mrs. Longworth for Smoking Cigarettes.

"It is an outrage that Miss Eleanor Sears, a Boston society leader, and Mrs. Nicholas Longworth set a vile example for foolish girls by smoking cigarettes," said Miss Lucy Page Gaston, founder of the anti-Cigarette League of America, who is in New York to reform cigarette smokers. "I am going to visit Miss Sears and try to prevail upon her to stop smoking cigarettes. A committee of the League will call on Mrs. Longworth with literature and ask her to stop smoking," she said.

Raleigh was treated last Thursday evening to the unusual sight of a man on the streets in the middle of July with an overcoat on. It was, too, no less a personage than the governor of the State, Hon. William W. Kitchin, wearing an overcoat.

BATTLE-SNAKE VENOM CURES A CONSUMPTIVE.

Rochester, N. Y., Druggist Given up by Doctors, Treats Himself and Makes Complete Recovery.

Henry Hoefen, a prominent druggist of Rochester, N. Y., says a dispatch from that city, who was in the last stages of tuberculosis a year ago, and has been treating himself with croton, or rattlesnake venom, has been pronounced cured by the physician who told him two years ago that he could not live. To-night the same physician told him that there were no indications of active tuberculosis and that there were evidences that the cavities in the lungs had healed.

Hoefen had suffered twenty-one severe hemorrhages and was weak and emaciated. He read the story of the experiments made by Dr. Thomas J. Mays of Philadelphia, and obtained some of the poison from "Rattlesnake Pete" of Rochester. He prepared the doses himself and took one fifth of a grain every four hours internally. He started to take the medicine on Christmas, 1909. After one hundred doses he showed marked improvement. Now his weight is above normal, his cough has disappeared and his lungs are healed.

Dr. Milton Chapman, who examined Hoefen two years ago and found lung lesions and tubercular bacilli in great numbers said:

"Hoefen's lungs are healed. His cure is exceptional, as men who are far gone as he was seldom or never recover. His use of the venom produced such remarkable results that it justifies its use in other cases. Rochester physicians will undoubtedly use the venom for many tuberculous patients, now that the trial of its efficacy has been made.

A number of Rochester citizens and in the Adirondacks are taking the poison with good results.

That James J. Jeffries may again enter the ring is the belief of Sam Berger, his manager, and Jack Gleason, who, with Tex Rickard, staged the battle at Reno. Gleason states that Jeffries feels his defeat very keenly. Berger believes that Jeffries will wipe out his defeat.

LANCE INSTITUTES SUIT

Against Sheriff Honeycutt, Who Seized His Team for Taxes.

W. J. Lance, representing the Standard Medicine Company, of Spartanburg, S. C., whose horses and buggy were seized by Sheriff Honeycutt for taxes several weeks ago, has instituted suit against the sheriff for damages sustained to his business. The summons in the case has been served but the answer has not yet been filed and it is not known what amount of damages will be asked. Sheriff Honeycutt seized the property on account of his refusal to pay \$200.00 tax required by law to peddle medicine in this county. They claim that they are no more liable to this tax than any other commercial salesman. The county authorities allege that they are on the ground, that they have the medicine shipped here in bulk and instead of sending the orders to the house and having them ship the goods back to the individual buyer they keep the stock here and fill the order at their headquarters in this city. Representatives of the company deny the allegation and claim that all their orders are taken in fair and legitimate way. The indications are that the case will be hard fought by both sides.

Attorney T. A. Adams, of Charlotte, represents the plaintiffs and H. S. Williams the defendant.

Canning Fruit.

At the state department of Agriculture the statement is made that there has never been such widespread interest in the canning of fruit and vegetables as there is at this time. The yields are exceptionally large and it looks like there will be many times as much put up as was ever canned in the state before, most largely, too, by individual housekeepers for home consumption. The special canning bulletin, gotten out by the assistant horticulturist, S. W. Shaw, is having a phenomenal demand. It went regularly into every section of the state and special calls are coming by the thousands.

Mr. N. A. Archibald and little Miss Margaret Virginia Ervin returned from a visit to friends in Dunn today.
