SHOULD ABOLISH PRACTICE BY IGNORANT MIDWIVES

Is Opinion of Dr. A. C. Bulla, of Wake County.
Raleigh, April 21.—In every town, city and county in North Carolina where there are enough physicians to attend all births, boards of health should make the practice of midwifery unlawful. Dr. A. C. Bulla, Wake county health officer and one of the leading members of the North Carolina Public Health Association, stated tonight.

"The profit and loss account of public health in this state can never be balanced until that class of white and colored women, who because they are too old or decrepit to be useful in other occupations, numbering 6,000 are prohibited from practicing midwifery," he asserted.

"Of these 6,000 women, 2,500 are registered with the state board of health and the records show that they are illiterate, ignorant, most of them. Notwithstanding this fact, they attend one-third of all white and colored births in the state."

WOMEN INVITED TO USE M. AND M. CLUB ROOMS

Directors of Club Pass Resolution Extending All Facilities to Ladies of the City.
That every facility of the Merchants and Manufacturers Club is at all times ready for the use of the ladies of the city is the gist of a resolution passed by the directors of the club at a meeting Friday night. The resolution declares the directors not only extend the invitation to the ladies to use the club at any time, but it even urges its use by the ladies.

"We understand there are few suitable places in Concord for the women to hold their meetings," one director stated, "and for that reason we are offering the club. Parties, prayer meetings or meetings of any kind can be held there any afternoon or evening if the ladies will just signify a desire to use the club rooms."

The director also made plain the fact that the invitation is extended to all ladies. It makes no difference whether the husband is a member of the club or not, it was pointed out. If the wife of a non-member wants the club she can have it.

LAST CALL FOR REGISTRATION.

Superior Court Will Be in Session for Two Weeks.—Judge James L. Webb is Presiding.
Cabarrus County Superior Court convened this morning for a two weeks' term, with Judge James L. Webb of Shelby presiding. Solicitor Zeb Long of Statesville, will represent the State.

Kerr Street Baptist Revival.
The old folks' service Sunday at 11 a. m. was the climax of the meeting so far. There was a large congregation present and a good number of old people. The preacher's text was Psalm 37:23, "I have been young and now I am old and yet have I not seen the righteous forsaken nor his seed begging for bread." The preacher said in part:

The Bible permits us many delightful glimpses of childhood. "Samuel, who was consecrated to God from birth. Moses, whom God had in charge from the time he was hidden in the basket, until he buried him in the mount."

If Kidneys Act Bad Take Salts

Says Backache Often Means You Have Not Been Drinking Enough Water!
When you wake up with backache and dull misery in the kidney region it may mean you have been eating foods which create acids, says a well-known authority. An excess of such acids overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When you kidneys get sluggish and when you must relieve them, like you relieve your bowels, removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach soars, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.
