

# WOMAN SICK TWO YEARS

### Caused by Troubles Women Often Have—Relieved by Lydia E. Pinkham's Vegetable Compound

Medina, New York.—"I had a great deal of trouble such as women often have, and this affected my nerves. For over two years I suffered in this way, then I read in the 'Buffalo Times' about Lydia E. Pinkham's Vegetable Compound and have taken it with very good results. I am very much better and feel justified in praising the Vegetable Compound to my friends and neighbors who suffer from anything of the kind."—Mrs. Wm. H. Adkins, 311 Erin Road, Medina, N. Y.

### Feels Like Girl Sixteen

Rochester, N. Y.—"After my twin girls were born I was all run-down. My neighbors thought I was going to die. I saw your advertisement in the paper and bought Lydia E. Pinkham's Vegetable Compound. The first bottle helped me and I kept on taking it. I only weighed ninety pounds when I began taking it, and I have gained in weight and feel like a girl of sixteen. I never can say enough for Lydia E. Pinkham's Vegetable Compound."—Mrs. NELLIE DOREY, 16 Skuse Park, Rochester, N. Y.

# PAW PAW CALLED THE PERFECT DIGESTER

Scientist Explains Its Bracing Effect Upon the Whole System

In condensed form the following is what Professor Willard H. Morse, M. D., F. S. S., a Fellow of the London Society of Science, wrote to Robert Halford, an eminent therapist:

"Munyon's Paw Paw is scientific in that it properly presents to the materia medica, to the medical profession, and to the sick and suffering the active principle of the fruit of the carapapaya (Paw Paw) in its most eligible form.

"It accomplishes digestion surely and perfectly. It makes the most of the food. Makes the best of the food. Assures perfect assimilation. It perfects the several fluids that have to do with digestion and makes dyspepsia impossible.

"Munyon's Paw Paw disposes of the blood all faulty acids or poisons, because the food made from the food treated by Paw Paw is a true vital fluid, which refuses to contain the acids, germs or poisonous taints, and as most diseases arise from impure blood, it makes all of them impossible."

If you are nervous, if you are weak, if you have indigestion in any form, if you have stomach trouble, if you cannot sleep, try Munyon's Paw Paw Tonic. It has stopped those conditions for thousands and may for you. It costs \$1 per bottle and is for sale at the American Medicine Company store, at 643 Hamilton St., Munyon's Homeopathic Home Remedy Company, Scranton, Pa.

# FEW FOLKS HAVE GRAY HAIR NOW

Druggist Says Ladies Are Using Recipe of Sage Tea and Sulphur

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of Weych's Sage and Sulphur Compound, which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Weych's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

### DO YOU WONDER?

Asks This Lady, "That I'm a Believer in Cardui"—Had Been So Weak She Had to Go to Bed.

Osawatimie, Kans.—Mrs. E. E. Keast, formerly of Illinois, residing here, says: "We moved to this state eleven years ago, and I had good health for a long while; and then some year or so ago I had a bad sick spell. . . .

"I got so weak I couldn't go. I couldn't stand on my feet at all. I had to go to bed. I suffered a great deal. I was so nervous I felt I couldn't live. I tried medicines, and everything; had the best of attention, yet I wasn't able to get up. I lay for three months, not able to do anything.

"My husband is a bill poster and has circulars distributed. One day they changed to be a Ladies Birthday Almanac among his circulars. I read it, and told some of the family to get me a bottle of Cardui.

"I quit all other medicines and took it (Cardui) faithfully, and two weeks from the time I began to take Cardui I was out of bed—better than for months.

"I kept it up and continued to improve until I was a well woman.

"Do you wonder that I am a believer in Cardui? I certainly am. And I am sure there is no better tonic made for women than Cardui." NC-151

#### Death of D. A. Jenkins.

The entire community is saddened because of the death on last Wednesday, April 18th, of Aaron Jenkins, although the summons did not come as a surprise to his many friends nor himself for he knew almost to the moment and told his family when he called them to his bedside a short while before going, giving definite instructions as to his burial, etc., and asked that they not grieve for him.

He had battled bravely for four years with tuberculosis, having contracted it following a severe attack of flu while living in Texas. After taking treatment there in a sanatorium for a year, he returned with his family to his home state and until a few months ago his friends entertained some hope for his recovery. He was characterized by strong intellectual faculties and amiability, a devout and loyal member of the Baptist Church.

He is survived by his father and mother, the latter not being able to attend the burial; three brothers, his wife, who was Miss Vada Armstrong, of Fort Worth, Texas, and four children.

The grief of little Rosalie, the second daughter, was such as is rarely seen in older persons and was perfectly heart-rending to witness.

Funeral services were held at the Baptist Church, conducted by his pastor, Rev. W. J. Russell. The Masonic order, of which he was a member, were pall bearers, carrying the body to the church. After the services here the remains were carried to the cemetery, where a last view was taken by the very large number present, and the Masons proceeded with their impressive service.

A donation of nearly \$40 was given the widow for the expenses. Many beautiful floral designs covered the casket and grave.

#### Trinity Team Hitting 302.

Durham, April 20.—Coach Steiner's Trinity College baseball varsity has a batting average of 302, according to statistics compiled by editors of the Trinity Chronicle, student weekly. Steiner's lads have won ten college games and lost only one. In this triumphant march they have piled up 96 runs to 26 for opponents.

Wake Forest is the next game in sight, the Baptists coming to Hanes Field Saturday afternoon. "Hoodoo" Sanderson is slated to do the mound work on that day. "Hoodoo" has been having slight trouble with his arm this season and during the week has had special massage treatment under Coach Steiner. He said yesterday that the hurler was feeling good. In his last game against the Guilford Quakers he allowed only two hits.

He was doomed to failure all his life. He either told the truth too religiously or said the wrong thing.

It began when he got his first job as office boy.

He hadn't been there long when his employer looked up from an important letter and said irritably: "Don't whistle at your work, boy!" "I ain't working, sir," he replied. "I'm only whistling."
