HOWIE MURDER CASE IS SET FOR MONDAY

All Civil Cases in Superior Court
Moved Back One Day.

Immediately after court convened
for the afternoon session yesterday,
Solicitor Long announced that the
criminal docket could not be complet-
ed this week and would continue
through Monday of next week. By
agreement with counsel, the case of
State vs. Howie was set for Monday.
Howie is a Monroe electrician who is
charged with the murder of a child
near the Hartsell mill, it being alleged
that a car he was driving struck and
killed a small child there several
weeks ago.

This will necessitate all civil cases
for Monday being continued until
Tuesday, in fact the civil docket will
be called just one day later than first
announced as a result of the criminal
docket extending over a day into the
week set apart for the trial of civil
cases.

The following cases were disposed
of yesterday in court:

Ernest Sides was found guilty of
abandonment. Not yet sentenced.

Bob Arant was found guilty of false
pretense and was ordered to pay \$15
to L. A. Peeler, the prosecuting wit-
ness in the case.

John Will and Sarah Bradford
plead guilty to an affray and judg-
ment was suspended upon payment of
the costs.

Martin Boger was tried on two
counts of assault with a deadly wea-
pon. The cases were consolidated and
he was found guilty. He has not been
sentenced.

Tom Meadows was found guilty of
larceny and sentenced to the chain
gang for 60 days.

Allen Darkin, charged with carry-
ing a concealed weapon, was found
not guilty.

G. N. Lipe and Lula King, charged
with fornication and adultery, were
found not guilty.

The Kerr Street Baptist Revival.
A large and interested congregation
greeted the singers and preach-
ers Wednesday night and the Spirit
was felt in the very atmosphere. There
have been seventeen (17) added to the
church so far, eight by letter and nine
by baptism. God is indeed blessing us.

The preacher spoke Wednesday
night from II Samuel 5:24, "and let it
be when thou hearest the sound of the
going in the top of the mulberry
trees, then thou shalt besift thy-
self, for then shall the Lord go on be-
fore thee to smite the host of the
Philistines." He said in part:
First, when the people of God go
in obedience, that God will bless their
efforts and give them a glorious vic-
tory. It gave Moses and the children
of Israel assurance. It gave Joshua
assurance. It gave the apostles as-
surance.

Second, then we learn that when
God's power is present that we as His
children should put forth our best ef-
forts with the assurance of victory.

Third, we learn further that when
God is in our midst that there is the
time for sinners to seek the Lord in
their salvation. Isaiah said to "seek
the Lord while He may be found, and
call upon Him while He is near."
Herod waited too long. Felix waited
too long. Many thousands have wait-
ed until God had left them.

Services will continue at 3 p. m.
and 7:30 p. m. until Sunday night.
Miss Minnie Altman has been a great
addition to the meeting.

PASTOR.

High School Nine Will Play Badin Friday.

The High School baseball team
plays another game here this week
when they take on the Badin High
Friday. The boys have a mighty
strong team this year, having won sev-
en out of the eight games played, and
fans can see some real baseball if
they will take in some of these games.

Coch Myers has not announced
when he will send in to do the twirl-
ing. Sullivan has already pitched this
week, so he will probably give him a
rest. This leaves Hamilton and McIn-
nis, either of whom can turn the trick
if their teammates will hit the old
ball like they have been doing. Mc-
Innis led the Badin High down with
five hits last week, and it may be that
Coch Myers will give him a chance
to turn the trick again.

That old left hand battery of Hamil-
ton and Goodman looks mighty good
and keeps 'em guessing all the time.
Play ball, Mr. ump.

Trinity Alumni of Norfolk and Rich- mond to organize.

Durham, N. C. April 26.—Organiza-
tion of Trinity college alumni of
Richmond and Norfolk, Virginia, and
Kinston, Greenville, Graham, and
Lumberton in North Carolina within
the next few days will complete an
extensive campaign which has been
waged in the past eight weeks by
acting alumni secretary R. E. Thigpen.
In the course of the campaign,
Mr. Thigpen travelled 3,000 miles,
organized 40 associations, and visited
75 towns in the State in the interest
of the campaign. The movement is
the beginning of a systematic develop-
ment of relations between Trinity
alumni and the college, aimed at
securing a more active interest.

Principal among the items being am-
ed at in the campaign is the yearly
collection of a minimum of \$50,000,
the interest on \$1,000,000 through
subscriptions from alumni. Accord-
ing to Thigpen reports that as yet
returns of subscriptions are incom-
plete, but that the amount will prob-
ably be realized.

A unique purpose to which part of
the money collected will be put is the
awarding of scholarships to under-
graduate students in each congress-
ional district in the State. The plan
of award will be much the same that
is carried out in naming Rhodes
scholars to Oxford.

It is not the size of the brain, but
the texture that determines the qual-
ity. We have the authority of emi-
nent surgeons for the statement that
the majority of large heads generally
contain a spongy, watery brain.

A German barber, fined for beating
one of his customers wily when he
had a heated argument, offered to pay
in shaves. The court and the ag-
grieved customer accepted the offer.

BAPTISTS TAKE TRANQUIL PARK

Company of \$500,000 to Be Formed;
Mecklenburg-Cabarrus Association to
Operate.

Charlotte Observer, 26th.
The Tranquil Park sanatorium in
Myers Park, will be taken over by the
Mecklenburg-Cabarrus Baptist Assoc-
iation as a denominational hospital,
agreement to the offer made by T. T.
Cole and associates, owners of the
property, having been entered into at
a meeting of the executive committee
of the association Wednesday morning
at the Y. M. C. A.

The terms of the agreement provide
that the present owners organize a
company and add at least 500 rooms to
the plant immediately. The au-
thorized capital stock of the proposed
company is to be \$500,000, of which
\$300,000 is to be raised immediately
by popular subscription.

Operation of the hospital will be
vested entirely in the bi-county assoc-
iation. The cost of improvements will
be borne by Mr. Cole and asso-
ciates.

The executive committee of the as-
sociation negotiating for the hospital
and accepting the proposition Wednes-
day is composed of Rev. A. P. Pen-
gustor of Ninth Avenue Baptist
Church, chairman; Rev. R. D. Car-
roll, pastor of Allen Street Church,
secretary; Rev. W. A. Smith, pastor
of Pritchard Memorial Church; Dr.
Luther Little, pastor of the First
Church, Charlotte; Dr. G. A. Martin,
pastor of the First Baptist Church, of
Concord.

The special committee appointed to
investigate the proposition is com-
posed of C. A. Duckworth, Dr. John Q.
Myers and R. L. Goode.

Tranquil Park Sanatorium, located
at the edge of Myers Park near the
Myers Park country club, is consid-
ered splendidly situated for a hospital.
The property consists of about 50
acres, it is said. It contains two
buildings at present, one of 35 rooms
and the other 10 rooms.

The hospital will not begin to re-
ceive patients until after the propo-
sed improvements are made and it will
be late summer or early fall before
it will be formally opened. Modern
equipment will be added to the al-
ready up-to-date equipment and medi-
cal talent of the highest type will be
procured, it was announced.

EIGHT CAMP JACKSON BARRACKS DESTROYED

Captain Fancette Declares the Fire
Is of Incendiary Origin; \$1,200
Loss.

Columbia, S. C., April 24.—Fire
which was declared by Captain John
Fancette, camp commander, to have
been of incendiary origin, was brought
under control at Camp Jackson to-
night after eight barracks and nine
smaller buildings had been burned.
The fire was extinguished by the camp
fire department by nearly three hours
work.

The buildings were fired in three
places, Captain Fancette said tonight
in making his statement that he was
convinced that fire bugs had been at
work at the camp.

The loss caused by the fires will
not exceed \$200 for each building,
Captain Fancette estimated, except in
the case of the hotel, which was val-

Seventeen soldiers detailed as care-
takers constitute the garrison at the
camp.
