All contribute to the irresistible charm of Spring Fashions. For Paris has taken the savage colors of Egypt and the Orient * * she has pillered the blooms of the old-fashioned garden and blended them and fused them into the most glorious chapeau that one's most poetic fancy could imagine.

One must surely see, to appreciate their loveliness—their charm and amazing variations.

Worth of VICTORY NOTES are Called for Payment

OUR FRIENDS are requested to take notice of the maturity of Victory Notes on, May 20th, next—notes of this maturity bearing the distinguishing letters G H I J K or L, prefixed to their serial numbers.

Redemption of these notes may be effected at the present time, at par and accrued interest if desired—but no interest will be allowed after their maturity on May 20th.

Do you hold Victories that were called on December 15th last? These are lettered A B C D E and F. Many millions of them have not been presented. If you have overlooked these notes, they should be collected at once.

We shall be very glad to handle the redemption of Victory Notes, by authority of the Treasury Department—without charge for our services.
