SULLIVAN TWIRLS NO HIT GAME AGAINST MONROE

Locals Continue to Win, Ramping All Over the Strong Monroe Team.

Walter Sullivan, captain of the Concord High School baseball team, Monday carved for himself a niche in the Concord athletic hall of fame, by twirling a not-hit game against the Monroe High School team. Monroe is now a strong contender for the state championship, which makes the feat all the more remarkable. Bub was prevented from having a no-run game by a walk and an error in the last half of the ninth inning which gave his opponents a single tally. In the meantime he and his team piled up nine runs, Bub leading in the slugging himself.

Thirty-one batsmen faced Sullivan during the entire nine innings. Nine of these whiffed three times and retired to the bench. Seventeen popped up, grounded out, or were easy outs in the outfield. Four got on base through error, and one walked.

Monroe scored in the last half of the ninth when Laney, the second man out, walked. He then stole second and third. Boyles fanned but Goodman missed the ball, and threw wild to first to catch Boyles. Laney scored on the throw. Fairley forced Boyles at second, and Wiggs whiffed to end the game.

The fifth inning, as usual was the big scoring inning for the Concord boys. Ridenhour, the first man up, walked (as he does about three-fourths of the time), McInnis singled, and Misenheimer was safe on an error, filling the bases. Goodman came through with a single and scored two; Walker was out, but Sullivan drove out his third consecutive hit and two more runs crossed the bag. A walk, two hits by McInnis and Misenheimer, coupled with an error, scored three more runs in the ninth. Sullivan and McInnis each got three hits.

Bub umpired and worked out a fine game. He is the best umpire in High School this year.

This makes a total of nine out of ten games for the high school boys, which is a mighty good record for a team. It is a shame that they were unable to enter the championship series, but it couldn't be helped. Hamilton could not pitch in the series, and it would work Sullivan too hard.

The boys play the Davidson freshman team here Wednesday, and one of the best games of the season is expected. In the Davidson line up will be seen Sappentfield, who was the High School's pitching ace last season.

INJURED IN ACCIDENT

William Robinson Painfully Hurt When He Fell From a Wagon and a Box Fell on Him.

Mr. William Robinson, son of Mr. and Mrs. C. A. Robinson, was painfully injured Monday afternoon when he fell from a wagon which was carrying several heavy boxes, and one of the boxes fell across his breast. Mr. Robinson's head struck the pavement when he fell and it was at first thought that his neck had been broken. He was rushed to the Concord Hospital where an examination showed that his neck was not broken and that he had suffered no injury on his head. Later he was carried to his home on South Spring Street and this morning was reported to be resting as comfortably as could be expected.

The box that fell across Mr. Robinson's breast weighed several hundred pounds, and it seems a miracle that he was not more severely injured.

Visiting Cards Beautifully Printed, 50 for \$1.00, 100 for \$1.50 at Times-Tribune Office.

Le Dernier Cri

- The tiny Poke
- The Cloche
- The Capeline

The Revival Meeting at the Methodist Protestant Church.

A good congregation greeted Dr. Brown Monday night and listened with close attention as he preached from Acts 1:8 "And ye shall receive power after that the Holy Ghost is come upon you, and ye shall be witnesses unto me."

He began by saying that all men crave and covet power—some physical power, some intellectual power, some political power, and some social power, and none of this is to be despised, but this is not the power spoken of in the text. The one thing that the church needs, said he, is spiritual power, the power to do as well as the power to be. Here he showed the listeners between spiritual power in one's life, and the steam in an engine, emphasizing the fact that when the steam is turned into the cylinders the engine throbs with energy.

He then took up why the power was given, "ye shall be witnesses unto me." The preacher here mentioned some things that make a good witness. First, he must know the facts in the case. No one can testify to that which he does not know. No one can testify to the power of Jesus to save unless he himself has been saved.

Second, he must testify to what he does know. If a man is charged with

a crime of which he is innocent, and his neighbor knows him to be innocent, but refuses to tell it, he would be a criminal himself.

Third, his life must corroborate the testimony of his lips. He said that one could dispute what a man says, but you have no ground to question what he does.

He closed by saying that the witnessing must begin in the home, emphasizing the fact that we do not have any more religion at the church than we have at home. The preacher stated that he could usually tell at church the ones who had family prayer. If a man prays at home he will pray at church.

Services tonight at 7:30, and you are invited to come. PASTOR.

The Secret of Beautiful Floors

Beautiful Floors are largely a matter of prevention—the secret is to put them in perfect condition and keep them so. Doorways, stair-treads, and tracks should be polished frequently—this requires no great amount of time or effort if Johnson's Polishing Wax and Weighted Brush are used.

JOHNSON'S Paste-Liquid-Powdered POLISHING WAX

You can give every room in your home that delightful air of immaculate cleanliness by using Johnson's Polishing Wax occasionally on your furniture, floors, linoleum and woodwork. Johnson's Wax cleans, polishes, preserves and protects—all in one operation.

\$3.85 Polishing Outfit for \$3.00

With this outfit—a Weighted Polishing Brush and a 1 lb. can of Johnson's Prepared Wax—you can easily keep your floors and linoleum like new. This special offer is good through your dealer—or send \$3.00 direct to us.

Insist on Johnson's Polishing Wax. There is no Substitute. For Sale at All Good Stores.

11:15 a. m.—"The Obligation of Parents in Training Their Children for Church Worship and Service," Rev. H. T. Troutman. Adjournment.

LOCAL ICE PLANT HAS DOUBLED ITS CAPACITY

Plant Can Now Manufacture 45 Tons of Ice Per Day.—Machinery is the Most Modern.

A. B. Pounds, owner of the local ice plant, announces that he has just completed a large addition to the plant, and can now manufacture 45 tons of ice per day. The addition to the plant was begun several months ago, and everything, including the machinery, is now in operation.

The addition to the former plant, Mr. Pounds pointed out, is a 25-ton raw water flooded system, one of the latest systems to be manufactured. The water for the plant is secured from the city, is filtered again through white sand and then used in the manufacture of the ice.

While Concord at present does not need a 24-ton a day plant, Mr. Pounds pointed out, the consumption of ice here is increasing to such an extent that he planned his plant with an idea of taking care of the increase for a number of years without again enlarging his factory.

Mr. Pounds is the only ice dealer in Concord, and has operated his own plant for many years.

Fisher's Representative at Gossard Training School.

H. W. Gossard & Co. of New York and Chicago, are holding their annual course of training for counselors in Charlotte this week. Miss Mary Horton and Miss Helen Brown, of Fisher's, are in attendance. The class will be tendered a reception and theatre party to Galli Curd performance on Wednesday evening.

Thousands in Pilgrimages.
Pilgrims numbering 300,000 annually visit the monastic cells at Kiev, Russia.

ORGAN RECITAL THIS EVENING

To Be Given by C. G. Vardell, Jr., Assisted by Mrs. W. B. Robeson on the Violin.

This evening at 8 o'clock in the First Presbyterian Church, Charles G. Vardell, Jr., dean of music of Flora Macdonald College, Red Springs, will give an organ recital assisted by Mrs. W. B. Robeson of the violin department. Concord is indebted to the Alumnae of Flora Macdonald for bringing here this brilliant musician and composer.

Mr. Vardell stands in the front rank of North Carolina musicians and his compositions show originality and are faultless in technique.

Mrs. Robeson is a Canadian by birth, and a graduate of the Halifax Conservatory, and of the Leipzig Conservatory, Germany. At present she is the head of the violin department of the college.

The program for this evening is made up of twelve numbers and will contain two of Mr. Vardell's own compositions, "Serenade Allegretto" and "Scherzo" (from Sonata.)

There is some expense attached to the recital and a silver offering will be taken, but the Concord Alumnae of the College are anxious for a large audience to hear these talented musicians.

Cause for Gratitude.

If we find but one to whom we can speak out our heart freely, with whom we can walk in love and simplicity, we have no ground of quarrel with the world.

Sod Filter for Sewage.

French experiments have found ordinary sod an efficient filter for sewage.
