A Home Furnishing Department

Where The Wants of the Women Are the First Considered.

Realizing that numbers of women do not like to shop in hardware stores on account of it being chiefly men's departments we have established this Home Furnishing Department with the sole idea of catering to the wants of the women and you can rest assured that you will receive the same prompt and courteous attention that characterizes the other departments of our store. Form the habit of coming here for Home Furnishing wants and we are sure you will be pleased.
