Charles Neal, Colored, Shoots Eleven Year Daughter.

Albemarle News-Herald.

Charles Neal, a well known cotored man of Badin, was arrested late Wednesday afternoon and lodged in the Albemarle jatl upon a charge of having killed his 11-rear-old daughter about 4 o'clock Wednesday afternoon. The girl was shot in the back with a shot gun and died instantly. There was no eye witness to the shooting, it seems, but reports have it that Neal, in a fit of passion, started to whip his daughter for staying out late, she having been detained at scnool where she was practicing for commencement exercises. The girl an out of the house, it is reported, whereupon Neal fired at her, the entire load entering her back.

Neal denies that he shot the girl but claims that the gun was learing, against the wall on the front porch and in some way was knocked over, the load being accidently discharged.
