B. Y. P. U. Meeting.
On yesterday afternoon at the McGill Street Baptist Church, the members of the city B. Y. P. U. enjoyed a most interesting program, which consisted first of a pageant entitled, "The Span of Life."
This pageant was in keeping with the spirit of Mothers' Day. It was very impressive in its presentation of the value of a mother.
Following the pageant, two visiting young men of Davidson College, Mr. Smith and Mr. Grey, delivered very inspiring talks on "Character Building" and "Personality," respectively. These talks were not only entertaining in that they were well delivered, but conveyed to the minds of the hearers the fundamental characteristics of a Christian character.
After the presentation of the program the secretary made her report, presenting to the McGill Street B. Y. P. U. the Efficiency Banner for the month of May. — A MEMBER.

The home was attractively decorated with Spring flowers.
Mrs. R. A. Brower was in charge of the program for the afternoon and after the responses to the roll call she turned the meeting over to Mrs. E. R. Kellersberger, who then talked most interestingly of her experiences in Africa.

At the conclusion of the program delicious refreshments were served and an attractive favor, a nosegay of white pinks, was presented to each guest.

TWO SISTERS ARE KILLED WHEN TRAIN HITS AUTO

Two Brothers, Who Were With Them, Badly But Not Seriously Hurt in Accident.
Henderson, May 13.—Mrs. W. G. Coleman, 47, and Miss Nannie Fleming, 43, sisters, of near Macon, were killed shortly after 5 o'clock this afternoon at Middleburg, six miles north of this city, when a Seaboard Air-Line northbound freight train struck a small sedan automobile in which they were riding with their two brothers, R. D. Fleming and Thomas Fleming, riding with them were seriously but not fatally injured.
The former, who was driving the car, suffered a fractured knee and cuts and bruises about the hands and head, and the latter a broken shoulder and injuries to his back with other minor bruises. Mrs. Coleman was killed instantly, while Miss Fleming lived more than an hour, but was unconscious.

The two brothers were brought to a hospital in this city where it was said their injuries were not regarded as fatal.
The automobile was completely demolished, being strewn along the track for some 300 yards.
R. D. Fleming, who was able to converse with friends, said his engine stalled as he drove upon the track, the rails protruding about three inches above the road crossing, and choking the car down. Eye witnesses said it was impossible for the engineer to stop his train before striking the car. Fleming said he did not know a train was approaching until his car had stalled.

We think more of you than we do of your money!

There's lots more money in selling fair clothes at good prices than in selling good clothes at fair prices.

A case in point; Instead of selling Satisfactory Suits at \$30.00 to \$40.00, we could skip down to New York or Baltimore for a few days and bring back suits that would net \$5.00 more profit for us—and about \$12.00 less in value for you.

The point is—we like you more than we like your money—and we think as much of our reputation as we want you to think of it.

Here now—a storeful of good clothes cheap—but not a stitch of cheap clothes good, bad or indifferent.

WILL THERE BE A HUMPHREY IN YOUR NEW HOME?

The greatest convenience you can possibly plan for your new home—the greatest aid to cleanliness, health and comfort—is an abundant, ever-ready supply of hot water.

THE HUMPHREY Automatic Gas Water Heater

belongs in every modern home in the same way as a modern lighting or heating system. With a Humphrey, five cents pays for 50 gallons. No fuel waste. Gas burns only when water runs. Use hot water all day in the laundry, kitchen or bathroom, runs piping hot as long as a faucet is open—closing the faucet automatically shuts off the gas, and expense stops. Made in five sizes—a proper size for every service. Why not have this service in your home?
