**The Poor Editor.**  
Arkansas Thomas Cat.  
Flowers and long is the wedding notice which the editor printed. The minister getteth ten banns. The groom standeth the editor off for a 12-month subscription. All flesh is grass and in time the wife is gathered into a silo. The minister getteth his bit. The editor printeth a death notice, two columns of obituary, three lodge notices, a eulog of poetry and a card of thanks. And he forgetteth to read proof on the head and the darning thing cometh out: "Gone to Her Last Roasting Place." And all that are akin to the deceased jumpeth on the editor with exceeding great vigor. And they pulleth out their ads and cancelleth their subscriptions and they swing the hammer into the third and fourth generation.

**Good Old Vegetable Standby.**  
The faithful potato sprang up in various parts of South America. Peru undoubtedly had it before the Christian era. The Spaniards found it in Ecuador and took it to Spain, whence it traveled to Italy and north to France and Belgium, crossing the channel in time to save Ireland from many a hard winter. Our own Indians knew it not, maize being their long suit in the food game.

## WOMEN FROM FORTY TO FIFTY

Will Be Interested in Mrs. Hooker's Recovery by Use of Lydia E. Pinkham's Vegetable Compound

St. Paul, Minn.—"I was going through the Change of Life and suffered from a run-down condition and the troubles a woman has to go through at that time, hot flashes, nervousness and headaches. At times I was not able to do my work, but since taking Lydia E. Pinkham's Vegetable Compound I am gaining every day and can do my work with more ease than I have for five or six years. I owe it all to your great medicine."—MARTHA HOOKER, 114 College Avenue, St. Paul, Minn.

When women who are between the ages of forty-five and fifty-five are beset with such annoying symptoms as nervousness, irritability, melancholia and heat flashes, which produce headaches, dizziness, or a sense of suffocation, they should take Lydia E. Pinkham's Vegetable Compound. It is especially adapted to help women through this crisis. It is prepared from roots and herbs and contains no harmful drugs or narcotics. Write to Lydia E. Pinkham Medicine Co., Lynn, Massachusetts, for a free copy of Lydia E. Pinkham's Private Text-Book upon "Affections Peculiar to Women."

## FELT TIRED, SO TIRED

Indiana Lady Says She Was Run-Down, Suffered With Her Back, Took Cardui, and Got Well.

Richmond, Ind.—"I thought I would write a line or so, to say that I owe my good health and strength to Cardui," says a letter from Mrs. Cora Courtney, 31 Railroad Street, this city.  
"I was all run-down until my family thought they would lose me," writes Mrs. Courtney. "My husband coaxed me to take Cardui, so, to please him, I did, and will say I do not regret it, for I am able to do all my work and do my shopping."  
"I have five children, four in school, my husband and a boarder to do for, and I do all my own work for all of us, and find time to play. We all praise Cardui. Every sick and run-down woman should take this wonderful medicine."

"I suffered with my back; a very weak feeling in my limbs.  
"I felt hardly able to drag, just tired—so tired all the time."  
"It was an effort for me to do anything, but Cardui helped me so I felt like a different woman."  
If you are in a run-down physical condition, suffering as this Indiana lady says she did, give Cardui a fair trial. It should help you.  
Take Cardui. NC-147

## Clean Kidneys By Drinking Lots of Water

Take Salts to Flush Kidneys if Bladder Bothers or Back Hurts

Eating too much rich food may produce kidney trouble in some form, says a well-known authority, because the acids created excite the kidneys. Then they become overworked, get sluggish, clog up and cause all sorts of distress, particularly backache and misery in the kidney region, rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, begin drinking lots of good water and also get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush clogged kidneys and stimulate them to activity; also to neutralize the acids in the system so that they no longer irritate, thus often relieving bladder disorders.

Jad Salts can not injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help keep the kidneys and urinary organs clean, thus often avoiding serious kidney disorders. By all means have your physician examine your kidneys at least twice a year.

## NOISE NEARLY MADDENED HER

Woman Says Paw Paw Freed Her From Highly Nervous Condition

"After using one bottle of Paw Paw Tonic, I can say without exaggeration that I have added years to my life," writes Mrs. A. E. Williams, 332 S. Blakely St., Dunmore, Pa. "I was in a highly nervous condition due to an attack of grip. I could scarcely do my housework. The least noise grated on my nerves and would drive me almost mad. Thanks to Paw Paw Tonic, I am once more back to my old self and I enjoy my work, sleep and rest like a babe. I ask all sufferers to employ Paw Paw Tonic if they wish to enjoy life." Mrs. Williams' advice is good. Try Munyon's Paw Paw Tonic. \$1 a bottle at your druggist's. Munyon's, Scranton, Pa.
