### DISTRICT COTTON GROWERS TO ELECT DIRECTOR SOON

Ballots to Be Received June 11.—L. D. Robinson, Wadesboro, Slated to Succeed Himself.  
Election of a director for the 10th district of the North Carolina Cotton Growers' Co-operative Association will take place in Charlotte on Monday, June 11th. Ballots will be received by Dr. A. M. Redfern, of Charlotte; J. C. Redfern, of Wadesboro; and R. D. Goodman, of Concord, pollholders, until 6 o'clock that day.

Voting may be in person or the votes may be sent to Dr. Redfern, chairman of the group. After the ballots have been counted they will be sent to headquarters at Raleigh.  
Lee D. Robinson, of Wadesboro, and Dr. A. M. Redfern, of Charlotte, are nominees for the directorate. Mr. Robinson is the present director and was re-nominated at a meeting of the district group held here on May 22nd. The constitution of the state association requires that the ballots have the names of two nominees and after the certification of Mr. Robinson's nomination had been sent to Raleigh local members of the Association were notified that another name would have to be added. Dr. Redfern permitted his name to be printed on the ballot in order to circumvent the technicality and not anticipating being elected.

There are between 2,000 and 3,000 members of the state cotton association in the ten counties comprising this district.

Death of Miss Margaret Lipe. Salisbury Post.  
Miss Margaret Lipe, daughter of Mr. and Mrs. G. O. Lipe, of Landis, died here at 7 o'clock this morning following an operation for appendicitis, which she underwent Monday evening. The funeral will take place from the home at Landis tomorrow afternoon at 4:30 o'clock, conducted by the Rev. B. D. Risinger, of the Lutheran Church of that place, and the interment will be in Greenlaw cemetery, China Grove.

Miss Lipe, who was 64 years old last October, is survived by her parents, three sisters and two brothers, and a number of other relatives, among these being Mrs. J. C. Deaton, of Salisbury, an aunt.  
Miss Lipe was an unusually attractive and bright young girl and by her sweet and amiable disposition had drawn to her a large circle of friends. She was one of the most popular of the younger set of Landis and had scores of friends in that part of the county.

D. M. Harris Died Yesterday in Washington.  
Relatives here have been notified of the death yesterday of Mr. D. M. Harris, formerly of this city, who had been living in Washington, D. C., for the past several years. Mr. Harris had been ill for several days, the message stated.  
The body of Mr. Harris has been sent to Richmond, the former home of his wife, and funeral services will be held there tomorrow afternoon at 3 o'clock.

The deceased was a son of ex-Sheriff J. F. Harris, of this city. He was born and reared in this county and made his home here until several years ago.  
The Richmond Lodge of Elks will have charge of funeral services, Mr. Harris being a member of the Concord Lodge.

City League Meeting.  
The City Union meeting of the Epworth Leagues of Concord, Mt. Olivet and Kannapolis will be held in the Westford Methodist Church Friday (tomorrow) night, beginning at 8 o'clock. The topic for the evening is "Christian Young People and Amusement."  
Mr. Henderson, of the Harmony Chapter, Mt. Olivet, of the Forest Hill Chapter, and Miss Prichard, of the Mount Olivet Chapter will make addresses.

Mt. Olivet, Kannapolis and other groups will render special music.  
Without it will be a program entirely too good to miss. What chapter will report 100 per cent. attendance? "Its the counting that counts."

Discuss School Budget For Next School Year.  
The boards of County Commissioners and Education held a joint meeting at the court house yesterday afternoon. The meeting was held for the purpose of adopting a financial budget for the coming school year.  
The budget as adopted will take care of money needed for new buildings, repairs to present buildings and teachers' salaries.

The matter of inaugurating a system of high schools for the county was discussed at the meeting. The subject will be given further consideration by the members of both boards.  
More than fifty deep-sea ship lines now make Los Angeles a port of call.

### ASK YOUR NEIGHBOR

Women Tell Each Other How They Have Been Helped by Lydia E. Pinkham's Vegetable Compound

Perrysburg, Ohio.—"I took Lydia E. Pinkham's Vegetable Compound because I suffered with pains in my sides all the time. I can't remember just how long I suffered, but it was for some time. One day I was talking with a lady I met on a car, and I told her how I was feeling and she said she had been just like I was with pains and nervous troubles, and she took the Vegetable Compound, and it cured her. So then I went and got some, and I certainly recommend it for it is good. Whenever I see any woman who is sick I try to get her to take Lydia E. Pinkham's Vegetable Compound."—Mrs. ADA FRICK, Route 3, Perrysburg, Ohio.

In nearly every neighborhood in every town and city in this country there are women who have been helped by Lydia E. Pinkham's Vegetable Compound in the treatment of ailments peculiar to their sex, and they take pleasure in passing the good word along to other women. Therefore, if you are troubled in this way, why not give Lydia E. Pinkham's Vegetable Compound a fair trial.

**Drugs Excite the Kidneys, Drink Water**  
Take Salts at First Sign of Bladder Irritation or Backache  
The American men and women must guard constantly against kidney trouble because we often eat too much rich food. Our blood is filled with acids which the kidneys strive to filter out; they weaken from overwork, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.  
When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache, or dizzy, nervous spells, acid stomach, or if you have rheumatism when the weather is bad, begin drinking lots of good soft water and get from your pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.  
This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate clogged kidneys, to neutralize the acids in the system so they no longer are a source of irritation, thus often relieving bladder disorders.  
Jad Salts is inexpensive; can not injure, makes a delightful effervescent lithia-water drink and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time. By all means have your physician examine your kidneys at least twice a year.

### SAVED SICK SPELLS

Black-Draught Found Valuable by a Texas Farmer, Who Has Known Its Usefulness Over 30 Years.

Naples, Texas.—"I have used Theodor's Black-Draught for years—I can safely say for more than 30 years," declares Mr. H. H. Cromer, a substantial, well-known farmer, residing out from here on Route 3.  
"I am 43 years old, and when a small boy I had indigestion and was puny and my folks gave me a liver regulator. Then Black-Draught was advertised and we heard of it.  
"I began to take Black-Draught, and have used it, when needed, ever since. I use Black-Draught now in my home, and certainly recommend it for any liver trouble.  
"I have given it a thorough trial, and after thirty years can say Black-Draught is my stand-by. It has saved me many sick spells."  
Mr. Cromer writes that he is "never out of Black-Draught," and says several of his neighbors prefer it to any other liver medicine. "I always recommend Black-Draught to my friends," he adds.  
This valuable, old, powdered liver medicine is prepared from medicinal roots and herbs, and has none of the bad effects so often observed from the use of calomel, or other powerful mineral drugs. Be sure to get the genuine, Theodor's.

### FLAG IS LOWERED AT TRINITY COLLEGE

Seventy-First Commencement Comes to Successful End.

Durham, June 6.—With the impressive ceremony which accompanied the lowering of the flag by the graduating class of Trinity college this evening at sunset, the 71st commencement came to a successful end, and the college formally closed its doors on the final session of the scholastic year 1922-1923. The college campus was overflowing with automobiles and pedestrians from the opening of the doors of Crayton Memorial for the final exercises this morning until the conclusion of the ceremonies around the flag pole this evening.

"Do you exist for what may be done in you or for what may be done through you?" asked William Herbert Perry Faunce, president of Brown university, Providence, R. I., in the commencement address this morning. The hall was packed to the doors long before the scheduled time for the exercises to begin. At 11 a. m. the procession composed of the board of trustees of the college, members of the faculty, the alumni, and the graduating class marched formally into the crowded hall to their reserved seats, while the audience chanted a hymn.

After challenging the members of the graduating class with the question of what the purpose of their education had been, Dr. Faunce divided an educators into the two classes, which result from their choice in this matter. "Those who believe that we exist for what may be done through us are the advocates of vocational training, and those who believe that we exist for what may be done in us are the advocates of the highest possible cultural training," said President Faunce. As a compromise between the two schools of thought he

**GUS BARCLAY** of Kingston, N. Y., who says "Neutrone Prescription '99" cured him of his Rheumatism when he had lost all hope of ever being well again.

The rapid recovery of Gus Barclay of 99 Clinton St., Kingston, N. Y., has again called attention to the remarkable curative effects of Neutrone Prescription "99."  
Here is the story:  
"For years I have been all crippled up with rheumatism in my arms and legs. My feet would swell so that I could not even get my shoes on. My knees became so stiff that I could hardly bend them. Every step I took was agony. I could barely hobble around."  
"No one knows what I suffered until I tried Neutrone Prescription '99." After the first week I felt better. What a relief! It seemed too good to be true. All my aches and pains have gone; no more swellings, and my joints are all limbered up again.  
"I feel myself a lucky man to be so well again after all these years. I can say that Neutrone Prescription '99' will prove a blessing to anyone suffering from this dreaded disease. Every rheumatic should take it, when relief is so near."  
Neutrone Prescription "99" now comes in tablet as well as liquid form, whichever is preferred. Leading Druggists everywhere.

### added that "nothing important will ever be done through us until something is done in us."

After the commencement address degrees were conferred on the 121 candidates for the A. B. degree and on the 10 candidates for the M. A. degree. President Faunce conferred the degrees after the usual ceremony had been carried out.

### Gold Nugget of 103 Pennyweights Is Found.

One of the largest gold nuggets to be picked up in Stanly county for many a year was that one which was found near the surface on last Thursday by Mr. D. P. Kirk near the old Ingram mine on the land of Mr. Tilman Esperman, two or three miles east of Albemarle. The nugget tipped the scales at 103 pennyweight, and was one of the finest specimens ever seen in this section. Quite a number of Albemarle people saw the nugget Saturday afternoon. The discovery of this nugget, so near the surface, in a section believed to be rich in this valuable metal, has renewed interest in mining and we should not be surprised to see this become a great industry in this county at a very early date. In the same section where Mr. Kirk found the large nugget last Thursday, other smaller size nuggets have recently been picked up, and it is thought that metal can be mined there in great quantities with the proper machinery.

### State Senator Boyette Married.

State Senator J. M. Boyette and Miss Fay Miller, the popular community nurse for the Eitel Manufacturing Company, sprung a complete surprise on their friends on last Sunday morning when they announced their marriage which took place at one of the Methodist parsonages at Charleston, S. C., on last Wednesday. They returned to Albemarle Saturday night but no one knew of the marriage until Sunday morning. Upon their arrival from the honeymoon trip they went immediately to the Boyette home, corner South and Third streets. A large host of friends will wish for them a happy and prosperous married life.

### Wilson Serecaded at 8 Street Home.

Washington, June 6.—Woodrow Wilson was serenaded at his 8 Street home today by a Shriner patrol from Greenville, S. C., which sang "Dixie" under his window and then, at his request, followed it with "The Star Spangled Banner." When the singing was over, the former President smiled and waved his acknowledgment, and one member of the patrol shouted, "We're 100 per cent for you in South Carolina." He then led his brother Shriners in "three cheers for Wilson."

### Start on Weevil Now.

Fayetteville, June 6.—North Carolina cotton farmers should begin poisoning the boll weevil at once in order to save as large a proportion of this year's cotton crop as possible, according to the advice of R. W. Christian, prominent planter of this county, who returned to Fayetteville yesterday from Dallas, Texas, where he attended the American Cotton Growers' Exchange, in company with Dr. W. B. Kilgore, of Raleigh. Mr. Christian advises the farmers to use either the dry calcium arsenate or the molasses mixtures.

New York Man Promptly Gets Rid of Stomach Trouble  
"For years I suffered from heartburn and belching . . . rheumatism came within the last couple of years," relates John Maroney, 235 E. 125th St., New York City, in writing of Paw Paw Tonic. "I have gone to doctors and have bought patent medicines . . . but all to no use. . . My boss, Mr. Keenan, told me I should try Munyon's Remedies, telling me what they did for him. The result was so satisfactory I will continue them to a cure. Since I began using your Tonic one week ago, I have had no trouble with my stomach. It removes tired feeling, tones up the system, produces strong appetite and leaves no uncomfortable feeling after eating." Try Munyon's Paw Paw Tonic. \$1 a bottle at your druggist's.
