TRUSTEES OF ORPHANAGE ORDER TWO DORMITORIES
One at Kennedy Home, Kinston; One at Thomasville.—To Be of the Unit Type.

Thomasville, June 13.—Two new dormitories for girls have been ordered by the trustees of the Thomasville Baptist Orphanage in their annual meeting here at their institution, one to be built at the Kennedy home, Kinston, the other to be a unit cottage for larger girls in the home economics school at the orphanage. Both were recommended by the general manager.

The board also directed that all cottages be converted into the unit type as rapidly as possible. The sum of \$10,000 was appropriated for the use of the mothers' aid undertaking and supervision of the orphanage.

The home economics school, which it is desired to establish here, is regarded as an advanced step and certainly will require considerable outlay. The trustees felt and declared that they were justified in making any reasonable advancement by the fact that the denomination in years past had wholeheartedly supported the cause of the orphanage in every way.

ENORMOUS DEMAND FOR DR. THACHER'S LIVER AND BLOOD SYRUP ASTOUNDS DRUGGISTS

"Nothing Like It Has Ever Been Seen Here Before," Declares Enthusiastic Druggist. Predicts Universal Use.

Never before, perhaps, within the memory of the oldest inhabitant has any medicine ever approached the remarkable record that is now being made here by Dr. Thacher's Liver and Blood Syrup.

In fact, the demand for this celebrated prescription has been so phenomenal that druggists are amazed. Nothing like it has ever been seen here before. Thousands of questions are being asked daily all over the city concerning the preparation and people of all classes and in all walks of life are obtaining a supply from the local druggists in order to test the remedy for themselves.

"In all my experience since I have been in the drug business, I have never seen anything like the number of people from far and near crowding our store every day and asking for information concerning Dr. Thacher's Liver and Blood Syrup," declared one local druggist yesterday.

"Of course," he had heard of Dr. Thacher's Liver and Blood Syrup and knew something of its remarkable merits, but we were certainly not prepared for anything like the demand that has resulted here for it," he continued.

"Really I presume I never before realized that a large percentage of our people there are who are suffering from some form of liver or stomach trouble. Many of them do not consider their condition serious, but are really miserably and anxiously in need of relief and are evidently convinced that Dr. Thacher's Liver and Blood Syrup will bring that relief. And from the experience of others who have been relieved of similar troubles by means of this remedy and willingly tell it to the world, it seems to me that they are certainly justified in their belief that Dr. Thacher's prescription is what they need."

"Constipation; biliousness; indigestion; stomach troubles; headaches; coated tongue; gas formation; burning pains in stomach; shortness of breath; dizziness; spots before the eyes; night sweats; rheumatic pains; loss of sleep; a tired feeling and coughs and colds seem to be the complaints of the majority of the people who call and some of them are already reporting very satisfactory results after a course of Dr. Thacher's treatment."

"Another compelling motive that doubtless has attracted many is the magnanimous offer made by the Thacher Laboratories, which virtually amounts to a free trial. They have given us and all other dealers who handle Dr. Thacher's Liver and Blood Syrup, positive orders to return the money paid for the first bottle if the customer declares he or she has received no benefit from taking it."

"I don't pose as a prophet, but from the way the interest in this medicine is growing, I can safely predict that Dr. Thacher's Liver and Blood Syrup will soon be regarded as a standard household remedy and that before long the Thacher Laboratories will be taxed to the limit to supply the demand."

Dr. Thacher's Liver and Blood Syrup is sold by leading druggists. Dr. Thacher's Liver and Blood Syrup is sold in Concord by the Pearl Drug Company.

Why play tricks on your taste? Accepting a substitute for a genuine Ward's "Crush" is like taking a grind organ to grand opera. Why do it? Just insist on the genuine. Ward's Crushes owe their distinctive and delightful flavors to the natural fruit oils of oranges, lemons and limes. To these have been added pure cane sugar, citrus fruit juices, U.
