

**The Editors.**  
 Raleigh News and Observer.  
 No one can blame John B. Sherrill for wanting relief from activities connected with the North Carolina Press Association. His long and faithful service as secretary and president should make every member of the association feel debtor to him. In Mr. Webb, of the Asheville Citizen, the association has a most capable executive, one who will give a progressive and successful administration. As secretary, Miss Beatrice Cobb, the talented editor of the Morganton News-Herald, as Mr. Sherrill, did, can serve just as long as she will for members of the association know there is no one else who can do as well. The association did well to call for vigorous law enforcement. Individually and as an organization the newspaper people of the State stand firmly for law and order and exert a constant influence of no small weight to that end. It was proper and fitting for the editors to renew their pledges to continue in this necessary work.

STOPPED HIS "DON'T CARE" FEELING

Charley Fisher Says Munyon's Paw Paw Tonic Whetted His Appetite and Gave Him Strength.

"I was having much difficulty with my stomach and whenever I would get up I would feel drowsy and really did not care for anything." So writes Charley Fisher, of Bunker Hill, Ill.

"I began taking Munyon's Paw Paw Tonic, and after the first dose I felt much better, and after about half the bottle was taken it seemed as if I could not get enough to eat, my appetite had improved to such an extent. I felt much stronger. I have altogether taken three bottles and my condition has been wonderfully improved.

"Our local druggist carries the tonic in stock, and I am able to procure it from him. I have been telling my friends about it and some of them are also taking the Tonic and find it as I told them. There is no better tonic for the blood, and the iron in it makes one strong."

If YOU are run-down or suffer from indigestion, heartburn, sleeplessness, stomach, liver, kidney or blood trouble, you owe it to yourself to try Munyon's Paw Paw Tonic. It has put thousands back on their feet and has given them the happiness of health and strength again.

There is danger in further delay! Buy a \$1 bottle of Munyon's Paw Paw Tonic TODAY at any first-class drug store. Munyon's Homeopathic Home Remedy Co., Scranton, Pa.

"WORSE THAN PAIN"

Louisiana Lady Says She Has "Never Found Anything Better Than Cardui for a Run-Down Condition."

Morgan City, La.—"It would be hard for me to tell how much benefit I have derived from the use of Cardui," said Mrs. I. G. Bowman, of 1319 Front Street, this city.

"I was so run-down in health I could hardly go. I was thin. I had no appetite. Could not rest or sleep well. I was so weak, and so very nervous, I was no pleasure to myself.

"I suffered some pain, but the worst of my trouble was from being so weak and easy to get tired and out of heart.

"This nervous condition was worse than pain.

"Some one told me of Cardui, and I decided to use it.

"After using a few bottles, I regained my strength. I wasn't so nervous, and began to eat and sleep, and grew stronger and was soon well.

"I have never found anything better for a run-down condition."

If you suffer as this Louisiana lady did, you, too, should find Cardui helpful for your troubles.

WOMAN SO ILL COULD NOT WORK

Gained Strength, Weight and Now Doing Own Work, by Taking Lydia E. Pinkham's Vegetable Compound

Marion, Ind.—"I was all run-down, nervous and bent over. I could hardly drag around, let alone do my work. I read some letters in the papers telling what Lydia E. Pinkham's Vegetable Compound had done for others and I thought I would try it. Then a man told my husband about his wife and what good it had done her and wanted him to have me try it. I took one bottle and could see what it did for me in a week's time, and when I had taken three bottles I had gained both in strength and weight and was doing my own work. I took it before my last baby was born and it helped me so much. I am glad to recommend the Vegetable Compound to any woman who suffers from female ailments, for I know by experience what it can do. I have used Lydia E. Pinkham's Sanative Wash, also the Liver Pills, too, and think them fine." Mrs. W. M. Eubank, 600 E. Grant Street, Marion, Indiana.

A record of nearly fifty years' service should convince you of the merit of Lydia E. Pinkham's Compound.

HAPPENINGS IN OUR NEIGHBORING VILLAGES

BUFFALO NO. 2

The people are through with their harvest and find the wheat very good.  
 Mr. H. A. Platt has a set of lightning rods attached to his dwelling recently.  
 The infant of Mr. and Mrs. Gilbert Widenhouse is very sick at this time.  
 The hot weather is here and crops are looking fine.

The little daughter of L. D. Whitely is improving slowly.  
 The crops are looking well except they are late. Most of the cotton is of a late Flat Dutch or short stem drum head, and the boll weevil will have to crawl on the ground to get all of the blooms.

Wake up Bear Creek, and come on with your good news, as we like to read it. B.

FAITH

R. L. Patterson, of China Grove, Route 2, said on the 18th of June that they had ripe tomatoes, and had them a week or so. If you can beat that trot out your tomatoes.

J. T. Hellig, of Salisbury, wrote us on June 18 and said they had their first mess of roasting ears on that day from their garden. If you can beat that for early corn, trot it out.

Born to Mr. and Mrs. Ray Lively, at Crescent, June 10th, a son.

Venus took dinner with Mr. and Mrs. B. A. Lefler Sunday and got a dine dinner. They had lots of company. They had chicken, ham, home-made light bread, huckleberry pie, apple pie and other good things too numerous to mention.

The home-made cement that was discovered in Faith is made of only three things and every family in the world has it right at home. You can get the recipe how to make it for six cents in postage stamps by addressing J. T. Wyatt, Salisbury, N. C., Route 3.

Mrs. Jack Eller has been confined to her bed for several weeks and is not improving.

Norwood Should Resign

Salisbury Post.  
 J. D. Norwood should resign as chairman of the State Democratic committee. That is the opinion of the Evening Post after a careful consideration of the circumstances surrounding the collapse of the Mecklenburg Mills and the closing of the Peoples National Bank.

Whether Mr. Norwood is to blame for the circumstances or not, many people think that he is to blame, and his remaining as chairman of the Democratic party will certainly embarrass the party.

We do not know that Mr. Norwood deliberately used his position in the party as a means of selling stock in the Mecklenburg Mills but he certainly stocked his political friends with it. He may, and we don't doubt it, have thought the stock good, but nevertheless his leadership in party ranks will be questioned.

Mr. Norwood, in our opinion, should have followed the example set by the man who is generally understood to have been, and still is for that matter, considered the head of the Democratic party. When Watts was caught in an act that would undoubtedly have caused his party embarrassment, he immediately resigned his position.

And the immediate resignation of Mr. Norwood with a statement saying that he did not wish to embarrass his party would have placed him in a much higher regard than his remaining silent.

Although the campaign managed by Mr. Norwood was not a difficult one for the Democrats, judging by results, he directed the state campaign as well as one could have expected from any one.

The only thing in connection with the campaign we would bring upon Mr. Norwood was his attempt to dominate Rowan politics, an act we consider beneath the dignity of the party head in North Carolina.

His candidates were defeated in both city and county primaries largely as a protest against his tactics.

Whether Mr. Norwood was partial or attempted to dictate in state politics, we cannot say, but such tactics failed in Rowan and would eventually fail in North Carolina.

North Carolina is forced by circumstances to look to the Democratic party for the progress of the state, and a dictatorial group in control of that party will eventually ruin the party and do immense damage to the state of North Carolina.

The Democratic party in North Carolina should be above suspicion.

J. D. Norwood should resign as chairman of the State Democratic committee!

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, say well-known druggists here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

YOUNG Society Beauty, MARIE MURPHY, Declares She is Now Cured of Rheumatism.

"There are few people who have suffered more than I did, but NEUTRONE PRESCRIPTION '99' has made a clean sweep of all my rheumatic pains and swellings.

"Ever since a child I have been subject to Rheumatism. Attacks would come on me at the least unexpected time. My legs and arms would swell and stiffen up, and I would be helpless for weeks at a time. The pain was horrible and I was all discouraged.

"I read about Neutrone Prescription '99', got some, and started the treatment. Before I had finished the second bottle, the swellings went down, my muscles limbered up and I felt fine.

"Two years have gone by and I have had no Rheumatism. I am completely cured.

"Words fail to express my gratitude, now that I am free from Rheumatism, and I want to give Neutrone Prescription '99' full credit for my good health and happiness. I cannot recommend it too highly to everyone suffering from Rheumatism."

Neutrone Prescription "99" now comes in Tablet Form, as well as Liquid Form, whichever is preferred. Leading Druggists everywhere.
